

SULZER GUILTY ON THREE ARTICLES OF THE IMPEACHMENT

Will Be Removed from Office Today But Is Not Disqualified for the Future

INNOCENT IN ARTICLE 3

High Court Finds Executive Guilty in Articles One, Two and Four But Innocent in Third

NOT GUILTY ON OTHER FOUR?

ALBANY, N. Y., Oct. 16.—Governor William Sulzer was today found guilty by the high court of impeachment on three of the articles preferred against him. They were one, two and four. He was declared innocent of the charges contained in article three.

Tomorrow he will be removed from office, but not disqualified from holding office in this state in the future, unless there is a substantial change in the court's ruling as given out today. For reason, it was expected that he will not be found guilty on the other four articles still remaining to be voted upon when the court adjourned tonight. Lieutenant Governor Glynn, who has been acting governor since the impeachment of Sulzer, will become chief executive of the state. He is an Albany newspaper owner. Robert F. Wagner, a New York attorney, will become lieutenant governor. He is the majority leader in the senate. The vote on articles one and two was 3 to 18, a bare two-thirds majority. The former article charges that the governor falsified his statement of campaign contributions, the latter that he committed perjury in so doing. The vote on article three, which charges the governor with bribery, was 12 to 14, six members changing their votes on articles one and two from

WASTEFULNESS IS AMERICAN HABIT

SECRETARY REDFIELD ADDRESSES FIRE PREVENTION CONFERENCE

Secretary of Commerce Declares Loss by Fire is Only One Manifestation of the Spirit of Wastefulness of the American Thought and Habit.

PHILADELPHIA, Oct. 16.—"The appalling yearly loss by fire in this country is only one of many manifestations of a spirit of wastefulness that has become an ingrained part of American thought and habit," William C. Redfield, secretary of commerce, said in an address today before the National Fire Prevention conference.

The task before the conference he said primarily is one of education. The American people must be taught to open their eyes before losses occur instead of after. He advocated the organization of a staff of demonstrators that would be at the service of a body similar to the fire prevention conference whose duty it would be to go about the country addressing legislatures, labor unions, civic bodies and other organizations on the general subject of wastefulness.

Secretary Redfield said that in Washington the evidences of carelessness in regard to building construction are amazing. Old records, public documents, copper plates of rivers and harbors and other irreplaceable records, he said, are kept in buildings subject to conflagration.

FILES SUIT FOR \$500,000 AGAINST FORMER WIFE'S MOTHER

T. C. S. Cuyter Files Suit Against Isabella T. Barton—Gives No Explanation of Nature of Action.

Chicago, Oct. 16.—Telamon Cuyter, member of an old southern family who is connected with the Paris house of J. P. Morgan and Co., today filed a suit for \$500,000 against Isabella T. Barton, the mother of his former wife. Only the praecipe of the suit was filed and counsel would give no explanation of the nature of the action. Mrs. Cuyter obtained a divorce from her husband about two months ago on charges of desertion and non-support. The suit was filed in this city, it was believed, so that service could be obtained on the defendant who was thought to be on her way from San Francisco to New York. Up to a late hour the summons had not been served, but deputy sheriffs were watching stations of all transcontinental lines.

WILL INVESTIGATE JUDGE SPEAR'S ALLEGED OFFICIAL MISCONDUCT

Sub-Committee Appointed Will Begin Taking Testimony About November First.

Washington, Oct. 16.—Chairman C. A. Tamm of the house judiciary committee today announced the appointment of a sub-committee consisting of Representatives Webb of North Carolina, Floyd of Arkansas and Norris of Minnesota to investigate the alleged official misconduct of federal district Judge Emory Spear of Georgia. It is planned to have the sub-committee begin taking testimony here about November 1st, and in Georgia about November 10th, but all depends upon the condition of Judge Spear, who has been seriously ill for some time.

The appointment of the sub-committee to take charge of the case was authorized by resolution of the house.

APPROVE ORGANIZATION OF THE IOWA SOUTHERN ROAD

Stock Holders of Chicago and Northwestern Adopt Resolution Favoring the Move.

Chicago, Oct. 16.—At the annual meeting of the stockholders of the Chicago and Northwestern railway company here today resolutions were adopted approving the organization of the Iowa Southern railway company for the purpose of constructing a short extension to reach certain coal lands in Iowa, the organization of the Macoupin county extension railway company to reach coal lands in that county of Illinois and approving the lease and purchase by the company of the St. Louis, Peoria and Northwestern railway company. Retiring directors were re-elected as were officials of the road.

WORK OF COMPLETING JURY CONTINUES

FOUR JURYMEN ACCEPTED IN DONAHOE-STEIFEL TRIAL

Judge Pam Denies Motions to Dismiss Venire and Summon Special One and to Continue Case to November Term of Court.

CHICAGO, Oct. 16.—Work of completing the criminal court jury to try Attorney Daniel Donahoe and Detective Isaac Steifel, charged with conspiracy to defame Clarence S. Funk, continued before Judge Pam today. Four jurymen now are accepted. Judge Pam denied motions to dismiss the venire and summon a special one and to continue the case to the November term on the ground that prejudicial accounts had been printed in newspapers read by prospective jurors.

Elwood H. Ledy, venireman alleged by Defendant Donahoe to have approached him in connection with the case, was discharged from the venire.

Judge Pam was forced to end a tilt between Assistant State's Attorney Bell and Attorney Forrest of counsel Donahoe and Steifel. Bell asked that, owing to the reported oath involved on both sides, extra precaution be taken to guard the jury.

Forrest charged that Bell made the request merely for the purpose of creating sentiment against the defendants.

AMERICA AND ENGLAND WILL MEET IN FINAL MATCH SATURDAY

Match For National Women's Golf Championship To Be Played on Wilmington Links.

Wilmington, Del., Oct. 16.—America and England will meet in the final match for the National Women's Golf Championship to be played on the links of the Wilmington Country Club Saturday.

In the semi-final matches tomorrow, Miss Muriel Dodd, British and Canadian champion, will play Miss Gladys Ravenscroft, who held the British title last year, while the other survivors of the third round will be played today are Miss Marion Hollins, of New York, Metropolitan champion, and Miss Harriet Curtis, of Boston, a former national champion.

CHICAGO SCHOOL AUTHORITIES PLAN REFORM SCHOOL FOR BOYS

City and County Officials Plan New School Reformatory To Be Operated Under Their Joint Direction.

Chicago, Oct. 16.—Public school authorities today joined with the city and county officials to plan a new reform school for boys to be operated under their joint direction. If the plan is found feasible the county will furnish the land for the school, the school board will put up the building and furnish the instruction and the city will maintain the institution. It is the purpose to make the new school reformatory rather than a punitive institution.

CAPTAIN OF VOLTURNO ASSERTS THERE WAS NO COWARDICE SHOWN BY OFFICERS OR CREW

NEW YORK, Oct. 16.—Francis Inch, the boyish looking Briton who commanded the burned steamer Volturmo, came to port tonight, bringing with him eight-seven survivors of his ill-starred vessel. His story of the disaster in which 136 lives were lost had preceded him by wireless, but in a cabin of the Kroonland, which brought him here, Inch told his tale in simply phrased and modestly spoken detail that described more vividly than the wireless could picture the panorama of the Volturmo's loss and the rescue of more than 500 of those she had on board.

Inch said there was no cowardice on the Volturmo, either among officers or crew. There was no rush of seamen which made it necessary for him to warn them back with his revolver. His revolver was in a drawer in his cabin and it burned with the ship, and no on board drew a revolver. These statements, he intended, should refute the stories told by steerage passengers who arrived yesterday on the Grosser Kurfirst. The Volturmo's master, besides defending his own officers and men, said he had no criticism to make of the tactics of any of the boats that stood by. The Carmania did its best the same as the others, he said. "There is none but praise for every one. I did not expect a boat could live in those seas when the Carmania and the other first few ships came up."

The Carmania did drop a boat, Captain Inch declared, but it couldn't get near, for the Volturmo drifted faster than the crew could row. Later the Carmania sent forth six rafts, but they drifted across the Volturmo's bow and disappeared. More than that the Carmania could not do, Captain Inch said.

He denied reports of rotting tackle and fire hose and of unsafe lifeboats, all of which were in good condition, he said. He counted only three explosions, the last one wrecking wheel and compass so that a hand gear had to be rigged up.

Captain Inch denied stories that

WILSON WATCHES CURRENCY SITUATION

President Confers With Only Three Democratic Senators Whose Attitude Is Doubtful

CONFERENCE SATISFACTORY

Wilson After Meeting the Senators Reiterates His Confidence That the Senate Will Pass Measure Before December 31

CANCELS TRIP WITH SECY. DANIELS

WASHINGTON, Oct. 16.—President Wilson took a hand in the situation in the senate banking and currency committee today, personally inquiring of Senators Hitchcock, Reed and O'Gorman, the only three Democratic senators whose attitude has been a matter of doubt to the administration just what were the prospects for currency legislation during the present session of congress.

Later the president described his individual conferences with the three senators as satisfactory and reiterated his confidence that the measure would be passed by the senate before the December session. He determined, however, that while the situation was improving daily, his constant presence in Washington was required and cancelled his plans to go with Secretary Daniels and other members of the cabinet to view target practice of the Atlantic fleet.

Mr. Wilson told the three senators that he had been asked by Representative Underwood what the house should do as to recess since members were growing restless under the delay. The three senators assured the president that they favored as early a report as was consistent with careful study and studious amendment of the house bill.

President Wilson greatly encouraged by the conferences, is confident that unless obstructionist tactics develop on the floor of the senate the bill will pass before Dec. 1.

While the members of the committee were holding their "get together" conferences with the president the hearing of witnesses continued.

R. D. Millikin of Washington, D. C., presented his views on the bill endorsing its principles but offering a number of amendments.

HERRIFF FRUSTRATES ATTEMPT TO ROB BANK

Sheriff's Posse Capture Auto Load of Bandits Near New Lenox.

Joliet, Ill., Oct. 16.—Attempt to rob the Frankfort bank was frustrated early this morning when a sheriff's posse from Joliet captured an automobile load of bandits near New Lenox and found in their automobile nitro-glycerine and other necessities for safe-blowing. The men arrested are Charles Stuppy, Herb Washburne and John Klint.

steerage passengers were swept overboard and babies trampled upon while being rescued. Officers urged men and women to jump overboard for the lifeboat could not get near enough for them to be lowered into it. None dared to jump.

Crew Set Brave Example. "Show them how to jump," Inch told his crew. Two at a time they leaped over the rail. When the passengers saw them reach the lifeboat they followed them into the sea. With boat hooks and oars some were rescued. Others went to their deaths. No women were removed in this way.

"Before I climbed down I went over the ship to see if anyone remained Captain Inch said. "The fire had eaten its way beyond midship under the decks. I found no one alive, though there were bodies in the forecastle, men who had been cut off and burned to death. I went

AMERICAN WOMEN ARE ADVISED TO SPEND LESS TIME IN BEAUTIFYING THEIR FACE AND FIGURE

Washington, Oct. 16.—"Spend less time in seeking to beautify the face and figure and more time on mental improvement and in helping other women."

This was the admonition given American women by Mrs. O. N. Townsend of Zanesville, Ohio, in an address at today's session of the Woman's Home Missionary society of the Methodist Episcopal church. Mrs. Townsend spoke on "Increased Efficiency."

"Our American women," she declared, "devote their lives to beauty culture, diet and clothes and thereby fail in the effort at mental improvement."

The society endorsed a report by Mrs. I. J. Reynolds of Pasadena, Calif., on systematic beneficence,

POLICE DO NOT BELIEVE STORY OF SUICIDE PACT

THOROUGH INVESTIGATION WILL BE MADE OF LEATHER MERCHANT'S TALE

Detectives Break Down Door of Hotel Room to Find William C. Ellis Badly Injured and His Wife Lying on the Bed With Her Throat Cut.

CHICAGO, Ill., Oct. 16.—Mrs. William C. Ellis was found dead in bed at a hotel here this afternoon. Her throat had been cut and she had been shot twice under the left arm. Ellis, a wealthy leather merchant of Cincinnati, Ohio, was staggering about the room, his throat and wrists slashed by a knife and suffering from three bullet wounds when hotel detectives forced their way into the room.

Ellis was taken to a hospital, where he declared his wife had killed herself and that he had attempted suicide to end his life as a result of a suicide pact. An investigation by the police, however, caused them to doubt the story and Ellis was taken to the Bridwell Hospital, where he will be kept under a police guard while a thorough investigation is made. His injuries are not serious.

A number of letters and telegrams found in the room were taken by Detective Halpin and the contents of most of them kept secret. One telegram caused Captain Halpin to address a message to the chief of constable of Brantford, Canada, asking the identity of a man who the answer said had not been out of Brantford for a week.

On the way to the hospital, Ellis said he and his wife had agreed to die because of business reverses. "She killed herself and I shot myself," he said. "While I was cutting myself, she took the knife away from me and cut her throat. We wanted to end it together."

Today was the tenth anniversary of the marriage of the couple. Among the papers found on the floor of the room was a torn sheet in a woman's handwriting, evidently part of a telegram. It read:

"What shall I do? Can stay a week. When will you come?"

A letter also was found from their eight-year old daughter Eleanor at Cincinnati, wishing her mother a happy time for her visit in Chicago, and describing the activities of a little three-year old sister, Violet.

YOUNG DUKE WILL BE HELD ON MANSLAUGHTER CHARGE

Tobacco Manufacturer's Son Kills One and Injures Two Others With Automobile.

Seattle, Wash., Oct. 16.—After an investigation today on the killing of Henry N. Farr and the injuring of Alfred G. Hogland and Thomas Simmons last night by an automobile driven by Lawrence Duke, son of Brodie Duke, the tobacco manufacturer, prosecuting Attorney John F. Murphy announced that Duke would be held on a charge of manslaughter.

Duke was released tonight on bond.

WARM ARGUMENT OVER SEATING OF DELEGATES

LIVELY SESSION OF ILLINOIS FEDERATION OF LABOR AT DECATUR

President Wright's Compromise Facilitates Convention After Long Debate Over the Seating of the Delegates—Nominations are Made.

DECATUR, Ill., Oct. 16.—President Edwin W. Wright offered a compromise at a critical point in this morning's session of the Illinois federation of labor which pacified the convention after a heated argument over the seating of delegates. John H. Walker who is Wright's opponent for president, was fighting for the seating of delegates late in arrival. Wright secured the support of the convention in refusing the demand but later offered the compromise that those then in the session be allowed their seats.

Nominations today were as follows.

President—Edwin R. Wright, Chicago; J. H. Walker, Danville.

First vice-president—Victor R. Hoppe, Chicago; Lou Allton, Peoria.

Second vice-president—M. Irish, Peoria.

Third vice-president—Mike Whalen, East St. Louis; John H. Roberts, Chicago.

Secretary-treasurer—James F. Morris, Springfield; C. A. Prentiss, Chicago.

Mayor Woodruff led a Peoria delegation seeking next year's convention. Quincy and LaSalle are also making a strong fight for the honor.

State Typographical Union at their session decided to inaugurate a state employment bureau for printers which they hope to have in operation next year. Their officers were: C. R. Embick, president, Chicago; Joseph Runsch, Decatur, vice-president; Walter S. Brush, Peoria, secretary-treasurer.

OFFICIALS SEEK TO CHECK WHOLESALE SMUGGLING

Revenue Cutter Seneca Will Investigate the Woodward Abrahams Cargo.

Washington, Oct. 16.—Recent whole sale smuggling of English merchandise, particularly women's dress goods, into the United States led to the seizure of the Schooner Woodward Abrahams, which the Revenue Seneca, towed into Philadelphia today.

The inspectors at Philadelphia were told to look beneath the schooner's cargo of plaster for about \$100,000 worth of unmanifested dress goods from Nova Scotia. The department is awaiting a full report from the inspectors with interest.

WILL COUNTY BOYS WHO DISCOVER FORTUNE ARE QUICKLY RELIEVED OF THEIR HOARD OF WEALTH

Calumet, Mich., Oct. 16.—Two 12-year-old boys, Will Leolere and Joseph Tremblait, who have had the spending of a fortune of \$20,000, today lost their hoard of wealth.

A year ago the boys, playing on the site of the old Bannalack mar-nalack market at Lake Linden, uncovered an iron box containing more than \$20,000 in gold and silver coin. They hid the box a mile from town

in an almost inaccessible district and since then have been dipping into it as they wanted spending money.

Suspecting some one else was dipping into it also, they moved the box, burying it beneath the Houghton-Douglas Falls. One of the boys yesterday told his parents of the hidden wealth and today they went to get it but found it had disappeared.

The sheriff's office is working on the case.

AMERICAN WOMAN HURLS BRICKS THROUGH CHURCH WINDOWS

Claims She is Suffragette But Adds That She Has Private Motives For Her Conduct.

Paris, Oct. 16.—Two bricks were recently thrown through a beautiful stained glass window of the American Protestant Episcopal church, and stones also were thrown through a dining room window of the rectory of Rev. Dr. Watson, adjoining the church. Miss Minnie Vail, a woman of 43, formerly residing in New York, but for a long time a resident of Paris, was arrested and admitted today before the examining magistrate that she had broken the windows. She said she was a suffragette, but added that she had private motives for her conduct, which she refused to disclose.

Miss Vail declined to accept passage to America and an examination of her mental state has been ordered.

PRESIDENT WILSON WILL DEAL NO LONGER WITH HUERTA REGIME

No Move by U. S. Is Expected Until After Date Set for Mexican Election

MAY AID THE REBELS

Washington Government May Conduct Negotiations in Some Form With Constitutionalists

WOULD ELIMINATE HUERTA

WASHINGTON, Oct. 16.—President Wilson indicated today to those with whom he discussed the Mexican situation that he was determined to deal no longer with the Huerta regime, but further steps toward bringing peace to Mexico were being considered. No move is expected, however, until after October 26, the date set for the Mexican elections.

Just what the Washington government will do is yet a matter of speculation, but the trend of events, officials say, is toward conducting negotiations in some form or another with the constitutionalists.

There is a well-voiced understanding that the Washington government would adopt a drastic policy immediately, but for the fear that it would be interfering with the domestic program of currency and other legislative reforms. Those who know President Wilson's attitude best, say he realizes the value of a show force in the situation, but is unwilling to give his consent to any demonstration except with the intention of backing it up with actual use of force if events call for it. Means for dealing with the tangle through peaceful measures, however, have by no means been exhausted and the likelihood is before any military or naval demonstrations are seriously considered, support may be thrown toward the constitutionalists with the view of sweeping the Huerta regime from power.

The Washington government would welcome the elimination of Huerta, and if this can be accomplished by lifting the embargo on arms or giving the constitutionalists the moral support of this country, many officials favor such a policy.

VIKRA CASE IS REMANDED BY APPELLATE COURT ORDER

Injunction Restraining Defendant From Using Building as a Club Room Must Be Dissolved—Case Must Be Tried By Jury.

The appellate court handed down a number of decisions Thursday and several of them related to Morgan county cases. The most interesting attached to the finding in the case of the City of Jacksonville vs. John Viera et al in which the court remanded the case declaring that the injunction which was granted by the Morgan county circuit court should have been dissolved when application was made. While the text of the finding has not been received by local attorneys it is understood that the finding does not invalidate the city ordinance relative to the sale of liquor but that it means that the injunction is not the proper method to get at such cases.

The Temporary Injunction.
Some months ago the city filed a bill in chancery, asking that an injunction be issued restraining the defendant Viera from selling liquor in a building on West Court street. A temporary writ was issued by the Morgan county circuit court and a motion by the defendant to dissolve the injunction was made and denied, whereupon an appeal was taken.

"There was no attempt made to prosecute the defendant," says the court in its finding. "The question of whether liquor was sold in the premises is one of fact, and on which the defendant is entitled to a trial by jury. The motion to dissolve the injunction should have been allowed."

Cause Remanded.

The cause was remanded with orders for the Morgan county circuit court to dissolve the injunction. According to this ruling a city cannot prohibit the sale of liquor through injunction proceedings, unless efforts to stop such traffic have been made through the courts. The decision is important inasmuch as the injunction has been used considerably of late in various parts of the state in dealing with alleged violators of the local option laws.

Argument For Dissolution.

In supporting the motion to dissolve the temporary injunction in the circuit court here the attorneys for the defendants set forth the following reasons among others, why the injunction should be dissolved. The temporary restraining order should be dissolved because no notice of its application was served upon these defendants or either of them as provided by law.

Because there was no sworn statement of facts which would authorize the issuance of the temporary writ of injunction without notice to defendants.

That there was no statement of facts or circumstances in said bill showing that irreparable mischief would result if the prayer of the bill for injunction were not granted.

That the complainant had a com-

plete and adequate remedy at law. That the attempted enforcement of the alleged city ordinance by injunction was against the public policy of the state and a deprivation of the constitutional rights of the defendants of a trial by jury. That the defendants were entitled to a trial by jury to determine the question as to whether the building and premises described in the bill was, in fact, a public nuisance and that the proceeding was an attempt to deprive them of the right of trial by jury.

Other Cases.

In the Waverly library tax case the court affirmed the decision of the lower court in which mandamus proceedings were brought to compel the town board to levy a library tax. The case was styled A. C. Moffet et al vs. W. R. Turnbull, mayor et al mandamus.

John W. Neall vs. Fletcher T. Burch, assumpsit, reversed and remanded.

APPELLATE COURT FINDINGS.

The city of Springfield has again won in its efforts to collect one dollar a year taxes on each telegraph and telephone pole in the city's streets. The appellate court of the third district in an opinion handed down today, reverses and remands with direction the case of the city against the Central Union Telephone company in which the decision of the Sangamon county circuit court was adverse to the city.

The suit was to recover taxes on poles numbering upwards of 3,000, maintained in the city streets between the years 1907 and 1911, inclusive. The circuit court sustained the demurrer of the company that the ordinance was unreasonable and that a fair remuneration for the poles would be \$5,000, whereas the company had given the city telephone and fire alarm service, amounting to \$15,000. The appellate court in reversing the case instructs the circuit court to sustain the demurrer to this contention of the company.

The State Board of Agriculture cannot be sued for personal injuries, according to an opinion handed down by appellate court yesterday in the case of Arthur G. Haines, versus State Board of Agriculture, appealed from the Sangamon circuit court. Haines was hurt when the bleachers at the state fair grounds fell down on October 4, 1911. He sued the board, but the latter set up the contention that it was a part of the state government and could not be sued.

The circuit court sustained this contention, and the appellate court affirmed this judgment holding that the board is a quasi corporation, and can be sued for debts but not for personal injuries.

HAD NARROW ESCAPE.

J. G. Reynolds and son Lloyd Reynolds had a narrow escape Thursday afternoon at 1:30 o'clock on S. Church street, near Grace church, when a pin in the cross rod of the automobile came out. The car was going slow, but at that it took a sudden dash into the curb. The accident was similar to that which happened to Paul Ziegler, who lost his life near New Berlin a few days ago, when his car turned turtle.

SENATE BEGINS DEBATE ON SEAMEN'S SERVITUDE BILL

Safety at Sea of Travelers Is Taken up by Senators—Recent Disaster Figures in Discussion.

Washington, Oct. 16.—Safety at sea for travelers and improved working conditions for sailors on merchant ships were taken up in the senate today when debate began on the seaman's servitude bill. The Volturno disaster figured in the discussion.
Senators expressed the opinion that more adequate laws on loading of cargoes and requiring higher efficiency in crews would do much to prevent similar catastrophes.
Senator LaFollette charged that large shipping interests had prevented adequate reform for years. He presented a substitute for the bill which would go farther in requiring an absolute test of efficiency for seamen on ocean liners. Fire drills and lifeboat drills cannot be had on ocean vessels, the senator continued, under conditions approaching those which confront a ship's crew at the time disaster at sea. The greatest safety, he said, lies in a law that will require an adequate number of seamen thoroughly trained.
The senate has agreed to vote not later than Oct. 22.
The measure passed the last congress but was pocket-vetted by President Taft.

CATHOLIC NUNS ARE AMONG REFUGEES ENROUTE FROM MEXICO

Twenty Are Forced To Flea From Their Institution at Monterey and Take Passage on Tank Steamer.

Washington, Oct. 16.—Twenty Catholic nuns, members of the Sisterhood of the Incarnate Word, are among the refugees now enroute from Tampico, Mexico to Galveston, Texas, on the oil tanker Hainant and Waneta. They fled from their institution at Monterey. The tanker also has as passengers, sixteen British subjects, ten Mexicans and one American.
From Guadalajara it was reported that the Cinco Minas mines, representing an investment of \$1,500,000 had been forced to close. Two unidentified Americans are reported to have been killed at the works which are owned by a company of which James W. Gerard, ambassador to Germany is president.

FORMER NUN WEDS AGED WASHINGTON EDITOR

Miss Ann Lowrey, 56 Years Old, and W. R. Cunningham, 79, Are Married at Ritzville.

Guthrie, Okla., Oct. 16.—Miss Ann Lowrey, 56 years old, formerly a member of the Benedictine Order of Nuns, and W. R. Cunningham, 79 years old, were married at Ritzville, Wash., today, according to a telegram received by friends here. Two years ago in Guthrie, Sister Justina, as Miss Lowrey was known, withdrew from the Benedictine order. Her case was reported through the press and reached Cunningham, who is an editor in his home at Ritzville. He wrote an editorial on Sister Justina. This led to correspondence and meeting.

ISSUES PROCLAMATION.
Springfield, Ill., Oct. 16.—A proclamation was today issued by Governor Dunne urging the people of Illinois, in the schools and other public places, to fittingly observe the anniversary on November 19, of the delivery by President Lincoln of his famous Gettysburg address. This is the fiftieth anniversary of the delivery of Lincoln's immortal utterances on the field of Gettysburg.

LINCOLN COMES FOR GAME SATURDAY

WILL PLAY J. H. S. ON ILLINOIS FIELD.

Battle Royal Expected When Eleven Clash for Gridiron Honors—Illinois Goes to Normal—Roodhouse Basketball Team Here Tonight.

When Lincoln High school and the Jacksonville High school football eleven line-up on the gridiron at Old Illinois Saturday afternoon, lovers of the pigskin will witness one of the scrappiest games of the early season between high school teams.

The Lincoln bunch has been doing just what Coach Buland has had his men doing, working like Trojans in preparation for the contest. And by the way, the Lincoln lads are fast and have some old heads on the team. Last Saturday they defeated the strong Bloomington High school team by a score of 8 to 7. In Holmes, Humphrey and Perkins the visitors have three strong players. The Lincoln line-up follows:

Lechletter, left end.
Gossett, left tackle.
Johnson, left guard.
Nathel, center.
Ryan, right guard.
Brown, right tackle.
Richard, right end.
Kirkpatrick, quarter back.
Humphrey, left half back.
Perkins, right half back.
Holmes, full back.

The local high school team has been showing up well in practice and have been given a number of new plays which they are perfecting in splendid shape. They are showing strength, both defensive and offensive. It is expected that an unusually large crowd will attend the contest.

Illinois vs. Normal.

On Saturday Coach Harmon will take the varsity eleven to Normal, where they will meet the university squad of that place. Illinois and Lincoln played last Friday but the wet grounds did not give either team a chance to show their strength, and Lincoln won the contest because luck broke their way.

Normal played Bradley of Peoria last Saturday and was defeated by a score of 19 to 7 in a hard fought game. The Normal backfield negotiated several successful forward passes and plowed through the Peoria line, but the Peorians were more experienced players. Normal has been working hard in anticipation of the game with Illinois.

First Basketball Game.

The first basketball game of the season will be played in Strawn's hall this evening at 8 o'clock with Roodhouse a foe for the local Business college five. The J. B. C. men have been trained by Clarence Fuller, a former player on the Jacksonville High school team. The line-up will be Geisinger, center; Frye (Capt.), right forward; Warren, left forward; Seigel, left guard; Butler, right guard; Ferris and Doyle are the substitutes.

RULER OF MONTE CARLO IS IN CHICAGO FROM WYOMING.

Prince Manico Arrives From Hunting Trip—Will Speak at University Today.

Chicago, Oct. 16.—Prince Manico, who rules Monte Carlo, arrived in Chicago late today from Wyoming, where he hunted big game for three weeks. With him he brought the heads of elk, deer and a bear he killed and colored photographs of wild American life.

The prince was guest of honor at a dinner given tonight by the Camp Fire club. He will speak tomorrow at the University of Chicago on oceanography, which is his hobby. He will leave tomorrow night for New York, where he will remain several days before sailing.

FLORIDA EXECUTIVE WANTS COPIES OF ALIEN LAND LAW.
Sacramento, Cal., Oct. 16.—Governor Park Trammell of Florida has asked Governor Johnson to send him copies of the alien land law passed by the California legislature. The governor's message on the bill and any other information connected with the subject. The request follows closely upon the published stories that Japanese colonies would be established in Florida.

GRANTS EXTENSION OF TIME.
Concord, N. H., Oct. 16.—The request of William T. Jerome for an extension of time of hearing further arguments on the matter of extraditing Harry K. Thaw to New York was granted tonight by Governor Felker. The governor changed the date to October 27.

We are always wishing for "that which is not." In summer we want winter; in cold weather we prefer hot—during the January sale we hear people say, "if these prices had only prevailed in October"—and so on down the line. It's just human nature. Paradoxical as it may sound, these week-end sales offer "that which is not"—values NOT to be found elsewhere in the city. In this sale we are making January prices in October. A more attractive list than this was never offered the women of Jacksonville so early in the season. Read it and you'll agree with us.

Answering Questions

It is one of the functions of this bank of many-sided service to answer questions. The banking, commercial and agricultural knowledge of its officers and directors is always at the command of its patrons and friends and we are never too busy to answer questions.

In order the better to answer farmers' questions and help them with their problems, we have gathered together and indexed all the available

United States Farmers' Bulletins

and many other agricultural publications of the federal and state governments. Few realize the wide range of subjects covered in these publications and the practical information therein available, especially where they are indexed,

The Farmers State Bank and Trust Co,

THE JACKSONVILLE JOURNAL
Established 1843

Published by
JACKSONVILLE JOURNAL CO.

Commissioner Brennan's proposed plan for a commercial lighting plant to be owned and controlled by the city is being considered and discussed by many business men of the city. It is one of importance, and worthy of the closest investigation. The law enabling municipalities to enter this field is a new one, as yet untried.

It is as yet, in this state, in the experimental stage. For this reason city authorities should welcome the most thorough investigation. It is not a matter which should be entered hastily or without an endeavor to intelligently consider the matter from every angle, as it affects the welfare of the city and its citizens.

Jacksonville is not in shape financially to engage in a business venture without it can be shown that the possibilities of success are great—that a margin above the cost of manufacture can be made to consumers sufficiently large to insure a profit to the city, and yet be low enough in price to afford a saving to the citizen. Of course competition might drive the selling prices to a point where there would be no profit, but this could not continue indefinitely.

There are many problems to be solved—many that can only be considered by the average citizen and voter after a campaign of education regarding the mysteries of electric lighting, its cost of production and maintenance. This is what Mr. Brennan proposes, in connection with some expert to be selected by our board of commerce. Learn all possible regarding this business problem. Let the members of the commission and of the chamber of commerce work in harmony in the matter and it may be possible to bring out a plan that will be for the interests of the people of the city of Jacksonville.

The suggestions so far made are certainly worthy of consideration, but they are yet in embryo and the people of the city, we believe, are anxious for the most thorough investigation and a full report of the findings.

The chaplain of the state prison in Joliet recently said that 58 per cent of the criminals of the state come from Cook county. He also stated that 58 per cent of the saloons of the state are in Cook county, and that throughout the state of Illinois crime keeps approximately the record of the percentage of the saloons. The chaplain said, too, that 95 per cent of the criminals in the state prison are there because of drink. We solve the crime problem in Illinois just as we solve the saloon problem.

If Jacksonville should decide to go into the commercial lighting business, patterning somewhat after the successfully operated plant at Hannibal, this fact would have no bearing on the utility franchises which have been under consideration for some months past. That is, the fact that the city decided to enter the commercial lighting field would in no way bar the local company from doing business. It is also true that a franchise granted to the local company would not give them the exclusive rights neither preventing the city later from going into the lighting business nor from granting a franchise to another company.

ARE FOR YATES.

Springfield News: No Republican candidate for a minority appointment under Governor Dunne has been more heartily and universally endorsed than Honorable Richard Yates.

In making Democratic appointments, Governor Dunne is naturally pleased when his selections are widely approved by members of his own party, and it is likely that in his minority appointments he will appreciate general endorsement from the party he is thus honoring.

Were the matter put to a referendum vote of the Republicans of the state, ex-Governor Yates would easily get the bulk of the votes for any office for which he might be a candidate.

WILL ENFORCE INJUNCTION

AGAINST PICKETING BY STRIKERS

Violators of Court's Order Will be Held For Contempt of Court.

Calumet, Mich., Oct. 16.—Steps were taken today by the civil authorities to enforce the injunction against picketing by the striking copper miners. Sheriff Hepting and his deputies made complaint against two strikers for alleged violation of the injunction and application will be made for bench warrants. This will be the first prosecution for contempt of court since the state supreme court restored the restraining order against picketing which Judge C. Brien granted on Sept. 20 but subsequently dissolved.

One of the strikers is charged with interfering with a workman and the other refusing to accept service of an injunction.

Like action will be taken in other cases the sheriff says.

OBJECT TO FEDERAL SUPERVISION.

FEDERAL PRISON WARDEN

WILL MAKE NO OFFICIAL REPLY

Investigators Released From the Prison Charge That the Institution is a "Hell on Earth."

Indianapolis, Oct. 16.—William Moyer, warden of the federal prison at Atlanta, Ga., today said he would not make an official reply to the charges made by Julian Hawthorne and Dr. W. J. Morton, released from the prison yesterday, that the institution was a "hell on earth." Mr. Moyer has been here attending the American prison association's meetings departed for his home tonight. "I do not care to make an official statement and thereby put my word against any of them at this time," Mr. Moyer said. "The attorney general of the United States has been asked by me to investigate the conditions for the government's satisfaction. I do not know what prompted the charges but the fact that Hawthorne and Morton were once denied parole may throw light upon the situation."

Arrive in New York.

New York, Oct. 16.—Julian Hawthorne, son of the novelist, and William J. Morton, nerve specialist, arrived here tonight from Atlanta, where they were released Wednesday from the federal penitentiary. Hawthorne reiterated his charges of cruelty to prisoners in that institution.

"In many instances they have died as the result of the awful experiences," he said. "These things happen directly beneath the fine office of the prison. I believe that a commission of reputable persons disassociated in every way with the management of prisons should be assigned to investigate these horrors. I shall be ready to testify concerning what I have observed."

Cincinnati, O., Oct. 16.—C. F. Hildreth, of Freeport, Ill., was elected president today of the National Association of Fire Insurance Agents.

SULZER GUILTY ON THREE ARTICLES OF IMPEACHMENT

(Continued from Page One.)

"not guilty" to "guilty," and two from "guilty" to "not guilty."

This article charges that the governor suppressed evidence by means of threats to keep witnesses from testifying before the Frawley committee. Among these was Duncan W. Peck, state superintendent of public works, who testified at the trial that the governor had asked him to commit perjury.

The secret informal vote to remove the governor was said to be 43 to 14, the same as on article four and the vote not to disqualify him was said to be unanimous.

Article six, which charges that the governor committed larceny in speculating with his campaign contributions was said not to have been sustained in the secret session by a vote of fifty in favor of the governor to seven against.

Article five which charges that he prevented a principal witness, Fred Colwell, from attending the sessions of the Frawley committee, article seven that he threatened to use his office and influence to affect the vote or political action of certain assemblymen and article eight that he corruptly used his influence to affect the price of securities on the stock exchange were reported also to have been in favor of the governor in the secret session by a practically unanimous vote.

AUTOMOBILE DEATHS IN CHICAGO INCREASE 553 PER CENT IN 5 YEARS

With 15 Deaths in 1907 the List Increases to 92 Last Year—Increase in Other Cities.

Chicago, Oct. 16.—Deaths in this city from automobile accidents increased 553 per cent from 1907 to 1912, according to statistics supplied today to the Chicago Safety commission which organized recently to combat such accidents. In 1907 there were 15 deaths from motor car accidents; last year there were 92, the increase being the largest in the country. In other large cities the increases for this period were:

New York, 310; Philadelphia, 390; Boston, 277; Cleveland, 549; Baltimore, 200; Pittsburgh, 180; Detroit, 325; Buffalo, 200; San Francisco, 93; Milwaukee, 133; Cincinnati, 260; Newark, 40; Los Angeles, 280; Kansas City, 500; Seattle, 180; Indianapolis, 450; Providence, 400; St. Paul, 400; Denver, 57; Memphis, 90.

Two men injured by automobiles last Saturday died in local hospitals today.

BOOKKEEPER DISMISSED FROM GOVERNMENT SERVICE

Aids in Circulating Anonymous Charges Regarding Captain S. A. Kimball.

Washington, Oct. 16.—Secretary McAdoo today ordered the summary dismissal from the government service of George L. Snyder, a bookkeeper in the life saving service, because of anonymous charges alleged to have been inspired by Snyder and others reflecting upon Captain Sumner A. Kimball, general superintendent of the life-saving service and the administration of his office. At the same time the secretary reprimanded T. H. Maxwell, formerly employed in the life saving service but now a clerk in the office of the treasury's auditor for the war department for co-operating with Snyder and a man now out of the service in circulating the charges. The action was based on an investigation by George E. Downey, comptroller of the treasury whose conclusions were that "while there was evidence of some sickness of discipline in the general superintendent's office the charges reflecting upon Captain Kimball's integrity and character were false and unworthy of consideration."

REWARD FOR MURDERER.

Springfield, Ill., Oct. 16.—Governor Dunne today issued a proclamation offering a reward of \$200 for the arrest and conviction of the unknown person or persons who killed William Larry, near Champaign, on the night of October 11. Yesterday, O. P. Sullivan was arrested at Champaign in connection with the murder.

PLAN AT OAK LAWN

J. Thompson Sharpe in Management of Sanatorium Will Take No Mental Cases—Turkish Baths and Other Modern Equipment to Be Installed.

As stated in the Journal yesterday J. Thompson Sharpe has become the owner of Oak Lawn Sanatorium and very shortly will begin extensive changes and improvements there. It is Mr. Sharpe's intention to discontinue the care of nervous cases and the sanatorium will be especially for

treatment of stomach, liver, and kidney complaints, together with rheumatism and other diseases of that class. No contagious diseases of any kind will be handled. Several physicians will be associated with Mr. Sharpe in the management of the sanatorium and the equipment will be such as to attract patronage from a very wide territory.

Oak Lawn comprises 60 acres of land together with several large buildings. According to the plans which have already been prepared these buildings will be completely overhauled and changed in such way as to meet the requirements of the new conditions. Very fine Turkish bath rooms will be installed and

there will be other apparatus and equipment especially designed for treatment of diseases of the class mentioned.

In talking about the enterprise yesterday, Mr. Sharpe said: "As you know I have been working for some months on this plan and matters have been finally consummated. The improvements and changes in the equipment of the sanatorium will be made speedily and within a comparatively short time Oak Lawn will be ready to receive patients of an entirely different class from those of the past. Absolutely no mental cases will be taken, the sanatorium being intended primarily for the treatment of stomach troubles and allied ailments. There will be on expense spared to have everything about the institution of the most modern and approved type and our facilities will be such as to attract notice and attention not only from the surrounding territory, but from a much wider area as well. The famous Robinson spring water will be used very largely in the treatment of cases and the merits of this water and the facilities offered by the sanatorium will be advertised extensively. Oak Lawn is naturally so well located and so beautiful in its surroundings that with a new and modern equipment I feel very certain that it will attract the attention of those persons whom we hope to reach and benefit."

SEED CORN SELECTION.

Unevenness in Growing Plants Due to Constitutional Weakness—Seed Corn Should Be Fully Matured.

We too often think that the only necessary test for seed corn is that it will show a reasonably high percent of germination and do not take into consideration the fact that the seed kernel may furnish more or less nourishment to the young corn plant as well as to the germ, which may have a high or low vitality itself.

The importance of the good effect of the kernel in giving the young plant a vigorous start is best realized when we consider that the plant grows in direct proportion to its leaf surface; that a corn plant six inches high will become 12 inches high in about the same time that a plant three inches high will become six inches high; or one 12 inches will become 24 inches high, and that this ratio, with certain limitations, will hold good until near the close of the period of enlarging growth, so that the advantage throughout the season is with the plant that is given the best start.

Matured Seed Best.

When the seed corn is imperfect condition the kernel will furnish its entire contents in the support of the young plant, but if it has received injury, only a small part of its contents may be absorbed by the growing plant, and this fact often accounts for the unevenness of corn plants, the constitutional weakness of some plants often making several inches difference in the height. Corn that is not fully mature has not finished storing food in the kernel, hence is not fully prepared to resist injury from expansion of moisture by freezing or the development of mould from warmth.

The selection of seed corn should be made in the field, where the growing plants may be considered in connection with their environment—where we can be sure that the excellence we observe is due to the seed rather than to something which just happened to be in its favor, an advantage which plants growing under normal conditions would not enjoy. A good ear matured on a plant growing in a hill with two other plants should be rated much higher than an equally good ear matured on a plant growing in a hill by itself.

We should also be careful not to select seed ears from plants or varieties that ripen a long time before hard frosts may be expected, for such ears will not have stored in the kernels as much of the necessary plant food as will those which have used the entire season for development. The ears should be allowed to remain on the stalks as long as possible, removing them only in time to avoid freezing weather, as more or less material may be transferred from the stalks to the ears after the stalks seem to be well ripened. It should be kept in mind that only in a soil abundantly supplied with the necessary plant food elements can perfect nutrition be secured.

Keep Seed Dry and Warm.

Seed corn should be thoroughly dried by the circulation of dry air without excessive heat, and even when dry it should not be exposed to extreme cold, as this tends toward exhaustion of vitality.—H. A. McKeene, Secretary, Illinois Farmers' Institute.

ENJOYED AUTO TRIP TO

SPRINGFIELD THURSDAY

Group of Pastoral Helpers of Christian Church Guests of Mrs. Charles Graff on Journey to Capital City.

The Central Christian church of this city may justly claim an unusually active membership and ladies whose industry in church work entitles them to great praise. They are noted for their good deeds and energy in aiding the church in every possible manner and the results they attain are fine. The organization known as Pastoral Helpers is the main one in the direction mentioned and it is divided into various groups as the whole would be too large and unwieldy.

Some time since Mrs. Charles B. Graff offered a prize of an automobile trip to Springfield to the group that would accomplish the most and made a stipulation that the sum realized was to be at least \$100. This proved a worthy stimulant and the ladies went to work and it remained for the group with Mrs. J. W. Sperry as leader and Mrs. F. E. McDougall, assistant, to win the prize with a total offering or accumulation of nearly \$240 and so Mrs. Graff, true to her promise, came forward with the offer of the ride and yesterday was chosen as the day and the whole affair proved a fine success.

Machines were furnished as follows: Edgar Martin, a Stoddard-Dayton; Charles B. Graff, an Oakland; H. J. Rodgers, a Ford; John R. Robertson, a Pierce Arrow. The owners of the first three named were the chauffeurs and Mr. Robertson's chauffeur managed that machine. The start was made at 12:20 p. m. and by about 2 the merry-makers were in the capital city. They visited some of the parks and rode around the place by various points of interest and had refreshments and as the spirit moved started for home, not coming in a body.

All arrived home in safety well pleased with the trip. Those going, in addition to the chauffeurs, were Mrs. J. W. Sperry, Mrs. F. E. McDougall, Mrs. David Claus, Mrs. Brainer, Mrs. Alfred Larsen, Mrs. Suter, Mrs. Brown on West College avenue, Mrs. Weir, Mrs. Miss Fanny Smith, Mrs. Will Farmer, Mrs. Bryson, Mrs. Melton, Mrs. Dineen, Mrs. George Harney, Mrs. Felix Sims, Mrs. C. B. Graff, Miss Fairie Graff, Mrs. Edgar Martin and child.

FALLING HAIR MEANS

DANDRUFF IS ACTIVE

Save Your Hair! Get a 25 Cent Bottle of Danderine Right Now—Also Stops Itching Scalp.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Danderine's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.—Adv.

READ EVERY WORD

After a careful investigation of the effect of no license for six years in this city, resulting not only in the loss of hundreds of thousands of dollars, in population and in school enrollment, but also in a condition far worse for the boys and girls and all of the people of the city; the Business Men's Protective Association, realizing the financial and moral condition of the city, has planned a program for the improvement of streets, lights, etc., and at its regular meeting adopted the following ordinance, which they will ask the city council to adopt:

AN ORDINANCE TO REGULATE AND RESTRICT THE OPERATION OF SALOONS IN THE CITY OF JACKSONVILLE, ILLINOIS.

Be It Ordained by the City of Jacksonville, Illinois.

Section 1. Any person who shall sell any intoxicating liquors in any quantity in any room, building, yard, premises or place of public resort within the corporate limits of the City of Jacksonville, Illinois, without first having obtained a license as hereinafter provided, shall upon conviction, forfeit such goods as may be found in their possession and fined not less than \$100; or imprisoned in the county jail not less than 30 days nor more than 90 days for each offense.

Section 2. Before said license shall be issued to any person or firm, the same shall make application therefor to the City Council in writing, describing the place or premises where said business is to be conducted.

Section 3. No license granted under the provisions of this ordinance shall give the person or firm to whom such license is issued the privilege of doing business in any other place than the one described in the license.

Section 4. All saloons licensed under this ordinance shall be situated on the street floor and no screens or any other device shall be used to prevent a plain view of the premises from the street at all times, day and night.

Section 5. No wine rooms shall be licensed under this ordinance or permitted in connection with saloons.

Section 6. No person or firm licensed under this ordinance shall sell or give away or allow to be sold or given by his knowledge or consent any intoxicating liquor or other beverage to any minor. Neither shall the person licensed employ any minor as a servant or clerk in any capacity in his place of business.

Section 7. No proprietor or employee of a saloon, shall sell or give away or allow to be sold or given away on his premises any intoxicating drink to any person evidently under the influence of liquor.

Section 8. The license fee shall be \$1,000, payable annually in advance.

Section 9. All saloons shall be operated under the following hours: Opening at 5 a. m. and closing at 11 p. m. Remaining closed from 11 p. m. Saturday until 5 a. m. the following Monday.

Section 10. No proprietor or employee shall be allowed in their respective places of business during the time they are closed, except in case of fire or destruction by the elements necessary care of property; or by the written consent of the Mayor or in his absence the Chief of police, and said written consent shall specify the time granted said proprietor or his employee and purpose of same.

Section 11. For the violation of any of the sections of this ordinance relative to the operations of saloons upon conviction therefor, said person or firm licensed hereunder shall pay for the first conviction \$100. For the second conviction they shall forfeit their license to the city together with the amount of license paid and the said license shall not be transferable. And the city council sitting as a License Board shall have the power to revoke any license issued by them, for the violation of the conditions under which said license was issued.

Section 12. A copy of this ordinance shall be printed in readable type and hung in a conspicuous place in the room licensed; and a copy of the ordinance shall be printed on the back of each license issued and made a part of the contract between the city and the licensee.

Section 13. Any minor who misrepresents his age to secure intoxicating liquor shall be guilty of a misdemeanor and upon conviction for same shall be fined for the first conviction \$100; for the second conviction \$100 and be imprisoned in the city jail not less than 30 and not more than 90 days for each offense.

Section 14. License granted under this ordinance may be transferred when approved by the City Commissioners. But no license shall be issued for less than one year.

Section 15. For the purpose of carrying out the provisions of this ordinance, the Mayor and four Commissioners shall sit as a board of license commissioners when granting said licenses, or hearing complaints.

Section 16. All acts or parts of acts in conflict with the foregoing are hereby repealed. This act shall take effect upon its passage.

ADOPTED BY THE JACKSONVILLE BUSINESS MEN'S PROTECTIVE ASSOCIATION, OCT. 10, 1913.

NORTHWESTERN BACK FIELD GIVES COACHES APPREHENSION

Fullback Gruhn, Who Injures Leg,
and Left Half Whiting, Also Hurt,
Will Be Out of Saturday's Game.

Chicago, October 16.—Max Gruhn, fullback of the Northwestern university football squad, was out of the scrimmage today as a result of an injured leg and is not expected to play Saturday against the University of Illinois. Whiting, who has been playing left halfback, wrenched his shoulder severely in the practice and probably will not play. As a result the back field is giving the coaches the most apprehension at present.

To Meet Illinois Wesleyan.
St. Louis, Oct. 16.—Christian Brothers football team today finished its training for the game with Illinois Wesleyan eleven here on Saturday. Coach Kelly had the team working for more than four hours. The men are in good shape. Captain Menges, despite his broken nose, will be at center in the Wesleyan game.

Many on Hospital List.
St. Louis, Mo., Oct. 16.—Washington university football squads practice today was running down punts and scrimmage with the freshman team. Three of the regulars—Halfback Milford, Tackle Graham and Fullback Lewis—will not start in the game with Ames here

this week on account of bruises and wrenched muscles. With many of the second men on the hospital list, Coach Edmunds will have a hard time getting a perfect machine in the field against the Iowans on Saturday.

Swell Hospital List.
New Haven, Conn., Oct. 16.—During practice today, Marting, center on the varsity, and Thompson, a halfback, received injuries which probably will keep them out of the game with Lehigh on Saturday. Marting received a cut on the head and Thompson turned his ankle. These injuries bring the "hospital squad" up to thirteen.

Trouble Brewing in Valley.
Manhattan, Kan., Oct. 16.—Trouble is brewing in Missouri Valley football circles because the University of Nebraska played Ross, a negro guard, against the Kansas State Agricultural college team last Saturday. Coach Stiehm of Nebraska is said to have announced he intends to play the negro in every valley game.

W. O. Hamilton, manager of athletics at the University of Kansas, said today that a gentleman's agreement among the conference managers made negroes ineligible and the negro would not play against Kansas. Then Coach Lowman of the agricultural college announced that if Nebraska did not play Ross against Kansas and other valley teams he would protest Saturday's game.

"We had an agreement with Nebraska before Saturday's game," Lowman said, "that if we permitted Ross against us he would be in the line-up against all the other valley teams and we are going to hold Nebraska to it."

It is understood at Lawrence that the University of Kansas players have made plain their position to the coaches that they will refuse to play

against a negro. On the other hand, Coach Stiehm is quoted as saying:

"Kansas can either play Nebraska with Ross in the line-up or the game will be canceled."

Stagg's Maroons Fit.
Chicago, Oct. 16.—Coach Stagg of the University of Chicago football eleven put his squad through a hard drill this afternoon and then announced that the eleven with fit to go into its game with the University of Iowa on Saturday and give a good account of itself. Today's attention was devoted to the defense, which Stagg recognizes as the weak part of his team.

Assistant Coach Sauer, who has seen Iowa play, drilled the squad in Iowa formations. Sauer said that most was to be feared from Parsons, the Iowa half back.

RALPH ROSE SUCCOMBS TO TYPHOID FEVER IN SAN FRANCISCO

Holder of World's Shot Putting Record Dies After Illness of Short Duration.

San Francisco, Oct. 16.—Ralph Rose, holder of the Olympic and world's records for shot-putting, died here today of typhoid fever, after a brief illness.

Rose was a big, florid, full-blooded man, of the type typhoid finds rich soil.

He was born in Healdsburg, Calif., graduated from the Healdsburg High school and for a time attended the University of Michigan, but did not graduate. He returned to California, studied law, was admitted to the bar and has been a practicing attorney since.

For eight years Rose had been a championship figure in amateur athletics.

FLOWER DIRECT WINS THE CUMBERLAND STAKE

FRANCIS QUIMET LEADS HIGH CLASS FIELD IN TOURNAMENT

Champion's Score Brilliant Considering Condition of Turf and the Weather.

Brookline, Mass., Oct. 16.—Francis Quimet, the open golf champion, with a 79 score, led a high class field in the annual opening tournament on the links of the country club, Brookline, today. His score was two shots better than that of his nearest competitor, F. H. Hoyt, his Woodland partner. Quimet defeated H. W. Stuckles, Baerburn.

The champion was the only player to break 80 and considering the condition of the turf and the driving rain his performance was no less brilliant than was his play for the open championship over the same course several weeks ago.

CHICAGO AND NORTHWESTERN WILL HOLD CROSS COUNTRY RUN

First Dual Run Ever Held in Chicago Between Western Universities Will Be Held Nov. 8.

Chicago, Oct. 16.—The first dual cross-country run ever held here between western universities was scheduled today for November 8 between the Universities of Chicago and Northwestern.

Northwestern reported today that twelve candidates were ready, including Traxler, captain of the cross-country team, and Reed, who will be taken off the football squad to practice for the run.

NOTICE OF FINAL SETTLEMENT

In the matter of the estate of Joseph Kilian, deceased.
Notice is hereby given, that I, the undersigned administratrix of the estate of Joseph Kilian, deceased, have caused my final report and account as such administratrix to be placed on file in the office of the Clerk of the county court of Morgan county, and that I shall apply to said court on Monday, the 3rd day of November A. D. 1913, at 9 o'clock a. m. of that day, or as soon thereafter as I can be heard, for an order of approval of said report and account and for final discharge, at which time and place all persons interested can appear and show cause, if any they have, why such order and discharge should not be granted.

Mary Fitzpatrick Kilian,
Administratrix.

SOME OFF-SIDE CHUTES.

Two more of the baseball tribe were married Thursday. In New York Charles Monroe (Big Jeff) Tesreau and Miss Helena Blake joined issues and will tour the world with the Sox-Giants combination. The new Mrs. Tesreau was a stenographer, and, of course, is pretty. Johnny Beall, former White Sox, now with the Brewers, induced Miss Jane Edgett of New York to change her name at Denver, where the Milwaukee team is engaged in a series against the Grizzlies, champions of the Western league.

The long-deferred benefit game for the widow of Jimmy Doyle, former third baseman for the Cubs, will be played in Chicago today. The clash will be on the West Side between the Cub remnants and those of the White Sox.

George Stovall has issued a defy to Col. Hedges of the Browns. Unless given his unconditional release, he will jump into the Federal league and manage a team at Kansas City under a three year contract, calling for \$6,500 per, with a bonus of from \$5,000 to \$10,000 when he signs. The deposed Brownie claims he wants to remain in the American league, but that Mr. Hedges, he says, will not be permitted to hold him in bondage. All of which is nice in George, but the salary with the bonus added is much sweeter to the Leeds prairie product, and it would be a cinch lay that Stovall will be with the Feds when the bluebirds whistle in the spring of 1914.

Packey McFarland has announced in New York, where he boxes Harren Tommy Murphy tonight, that after February 1 next he will retire from professional boxing forever. In the meantime he notifies Mr. Ritchie and Freddie Welsh that he will make 135 pounds at 2 o'clock p. m. and give both of them a trimming at 10 o'clock following any time either of these so-called champions will attach their signatures to a contract and posts a guaranteed bond to meet him at the scheduled hour. He also let it be known that he would take on Mike Gibbons at the welter-weight limit, 142 pounds ringside. When Packey retires his loss to the ring will be one which will not soon be filled. Undoubtedly the greatest boxer and all-around ring general in the history of the game, he at all times has been a gentleman and a credit to the sport. He is no roughneck, no booze guzzler (he dissipates in ice cream sundaes) and a better son to a mother never lived than Patrick McFarland.

"War to the hilt," is the challenge sent out by the Federal league moguls now in session at Indianapolis. The baby organization has strong financial backing, and it plans now in the making are carried through organized baseball is in for the worst drubbing in its history. Let 'er come. The sport as now conducted by the national commission needs cleansing, and no better laundrymen than the Feds could be selected.

Major Blankenburg and the public spirited citizens of Philadelphia have arranged a bumper banquet in honor of Connie Mack and his world's champions. The date has been set for the 28th inst. and those of the players who have left Quakerdom will be called back to participate in feast.

There is no hope for the recovery of Harry Lewis, who was battered in a Philadelphia ring duel by Borrell. The latter and five others, including Lewis' wife, who was his manager, are held by the authorities pending the outcome.

Bat Nelson has at last realized that he is down and out as a boxing attraction, and in Chicago on Wednesday he stated that he was through

with the game. Of course, before retiring he had to rid himself of a bunch of clap-trap, telling how square he had been in all of his ring encounters, etc. Present day champions, he maintains, do not begin to measure up with those who basked in the limelight in the days when he was cock o' the walk. Goodbye, Bat, Hegewich is a nice, quiet little place in which to rest up.

Basketball will have its start at Armory hall tonight, when a quintet from Roodhouse will engage one from Brown's Business college. This is a starter. Now, let the other colleges and schools fall in line and organize a city cage. This column will contribute its mite in the way of boosting any effort made in that direction.

Over in Lansing, Mich., an armed patrol guards the field while the Aggie football team engage in secret practice for the game at Ann Arbor tomorrow.

NOTES OF TRAVEL IN RUSSIA

(By S. W. Nichols).

(Continued from yesterday)

Napoleon arrived before Moscow Sept. 14, and stationed himself on what is now known as Sparrow Hill, an eminence three miles south of Moscow, and from which a fine view of the city may be obtained. There he looked at the place which he thought was soon to be his and there he established his headquarters right on the brow of the hill and looked with pride at what he thought was a grand conquest, but no one appeared with tokens of surrender, so at the end of three days he entered the city and was surprised to find it practically empty. He waited three days more and then in several places simultaneously fires broke out and he was obliged to leave the place and he established himself in the place of Peter the Great, which has already been described. There he took his fine bedsteads, sofa and other furniture, but things looked gloomy. His great army was hungry and it required an immense amount to feed it. He didn't dare penetrate farther he encountered a part of the Russian retreat, so he remained some six weeks until the weather began to grow cold and his army was poorly prepared for that.

At last began the disastrous retreat and at the river of Beresina he encountered a part of the Russian army, which had been sent there by a forced march and a battle disastrous to the French followed and Napoleon was a fugitive and his army almost annihilated. Then came the reverses in Prussia and the forced abdication and the retirement to Elba, Waterloo later and finally the island of St. Helena.

In the afternoon we took a street car out of the place and sat overlooking the city and adjacent valley and the panorama was indeed lovely. A rain had made all things fresh and green and we sat for a long time looking at the city and thought of the man whose ambition would sacrifice so many lives and scatter so much treasure to satisfy his own selfish ends. Had he been actuated by the right motives how different might his history have been. It is said that he was describing his intended campaign against Russia and picturing the results when the person addressed remarked:

"Man proposes but God disposes." Whereupon Napoleon haughtily replied:

"I propose and dispose also." How well he accomplished it history tells us.

Before I leave the subject of Moscow I want to offer a voluntary testimonial to the efficiency and gentlemanly conduct of our guide, Mr. A. Shinderson, who is associated with the Savoy hotel. He seems to be most remarkably well posted on all matters of history and his acquaintance with all that pertains to Moscow in particular and Russia in general is wonderful. He is a walking encyclopedia and we found him very pleasant and he paid nothing for this notice.

As we were passing along the street Sunday afternoon we saw a man and woman, evidently husband and wife, in an earnest discussion, the man rather impatient and the woman in earnest and the guide said the man wanted to go to the park, probably to have a drink, and the woman wanted to go home and the man started away without her. After he had gone three or four rods he returned and said something in a mild, conciliatory tone and she followed, evidently won by kindness. I asked the guide if wife beating still prevailed in Russia as in times past. He said that to some extent the women were more asserting their rights, but still the shameful practice prevails to a great extent.

Wages are low in Russia and a street car conductor gets but nine dollars a month and with that has to support a family and the wonder is how he gets enough together to maintain life. The well known black bread we saw in great quantities, boys carrying it about like so much cordwood. I didn't try any of it, for the looks satisfied me. There are a great many street vendors of all sorts of goods and nearly all things are sold by weight when possible. Fruits of all kind, vegetables, salt and in fact about anything that can be weighed is sold that way and I don't recall seeing a measure of any sort in either store or with a street vendor. The latter have a board, almost always and a scale composed of a rod, along which they slip a string with the weight. The board is always carried on the head when they go from place to place and is balanced with fine precision. In various places long lines of booths are strung along the streets for the sale of vegetables and fruits, of which strawberries, cherries, plums, apricots and peaches predominate.

St. Petersburg, July 8.
We said goodbye to our guide with sincere regret, for we felt certain we should not find his equal in this place and while we have done passably well, our fears regarding the matter were well founded. The ride to this city was on a fast express and it was fast, making the more than four hundred miles in ten hours, including stops. The ride was uninteresting, as there was no scenery to amount to anything, though a few of the towns were rather attractive and the stations well built. The engines to the train were changed frequently and everything run with clock precision. And we arrived on time to a minute. There was one little diversion which was rather pleasant. At one of the large stations where engines were changed a bevy of pretty girls were selling tags and as in our country, asking everybody to buy. Of course I couldn't understand what they were after, but finally concluded to aid the cause whatever it might be. I noticed that each girl was accompanied by a dashing young officer, who carried the bank and I thought that strange, but could ask for no explanation.

The girl gave me the tag, which is a little affair of metal with a plow on it in the foreground and something like an airship in the distance. I insisted on having her pin it on, which she did, laughing merrily, while the soldier stood by, not seeming at all jealous. She then gave me a little pamphlet, which I supposed explained the object of the collection of money and you would not guess in a year what it is. I kept the pamphlet and asked the porter at our hotel what it was and he said they were trying to collect money to help the government buy airships. It did really seem to me that the great government of this land was able to buy airships without the aid of the young people, but as my advice wasn't asked it hasn't been offered.

St. Petersburg is widely different from Moscow, being modern in most respects. It is on a plain and surrounded by much low land. The imperious Peter the Great decided he wanted a city here and though the land was a swamp he put forty thousand men to work and built it, but the place has several times paid dearly for his choice, as it has had several epidemics of cholera which have made great inroads on the population. I remember well when I was in Sweden four years ago that cholera was then carrying off people here and a strict quarantine was kept against all boats arriving from Russia. It was kept up for months and was a great detriment to the business of this city.

"CASCARETS" CLEANSE LIVER AND BOWELS

Cure Sick Headache, Constipation, Biliousness, Sour Stomach, Bad Breath—Candy Cathartic.

Get a 10-cent box now. Are you keeping your liver, stomach and bowels clean, pure and fresh with Cascarets—or merely forcing a passage way every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the bowels.

No odds how sick, headachy, bilious and constipated you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a gentle cleansing, too.—Adv.

VALUE OF RHEUMATISM FROM THE COURT

Judge Barhorst Was Relieved of Rheumatism After Doctors Failed.

If you have tried many other remedies and doctors' treatments for Rheumatism and found they failed, do not be skeptical about trying RHEUMA. Read the testimony of Judge John Barhorst of Fort Loramie, Ohio:

"After treatment by three doctors without result, I have been cured of a very bad case of Rheumatism by using two bottles of RHEUMA. It is now two years since I used the remedy, and I am still as well as ever. Previously, I was a cripple, walking with crutches."

Such testimony should be convincing. 50 cents a bottle at all druggists.—Adv.

CENTENNIAL OF BATTLE OF LEIPZIG

Leipzig, Saxony, Oct. 16.—Sovereign rulers of the German states, military officers of renown and a host of other dignitaries have gathered here for the celebration of the centennial anniversary of the battle of Leipzig, which had its beginning one hundred years ago today. The conflict, which is known to history as "the battle of the nations," was between the French army and its allies, commanded by Napoleon, and the Austrian, Russian and Prussian troops. A total of 400,000 men participated in the battle, which raged for three days. The French were beaten, chiefly owing to seventeen Prussian battalions, their allies, turning upon them in the heat of the engagement.

NAVY TO PASS ON SEPTEMBER MORN.

New Orleans, Oct. 16.—A tattooed figure of September morn on the broad chest of husky James Nolte of Moss Point, Miss., may keep that young man from realizing his ambition to enter Uncle Sam's navy. A few weeks ago Nolte applied for admission to the navy. He is a fine specimen physically and the surgeon was sure that there was no chance of his failing to pass. Then the marine blue figure was disclosed. The surgeon refused to pass the applicant and he took an appeal. The case will be decided Saturday and Nolte's anxiety is great. Refusal to pass him was based on the regulation against obscene tattoo marks. Whether the inspector for this district will regard September Morn in tattoo as obscene or not is attracting general interest.

CELEBRATES CENTENNIAL

San Jose, Costa Rica, Oct. 16.—A hundred years ago today the name of this city was changed from Villa Nueva to San Jose. Today the residents of the capital are celebrating the centennial of the city, but in reality the place was founded in 1751 and was known as Villa Nueva until October 16, 1813.

FEAST OF TABERNACLES BEGINS

New York, Oct. 16.—The Jews of New York city, like those living elsewhere, throughout the world, began today their celebration of Succoth, the Feast of Tabernacles, which lasts a week and concludes the cycle of autumnal Jewish holidays. Succoth is celebrated in commemoration of the period which the children of Israel spent in the wilderness after their exodus from Egypt, and when they lived in booths constructed of branches and foliage. Aside from the biblical origin of the feast there is another interpretation placed upon it. There is but little doubt that the feast originally was the harvest feast of the Jews, a season of thanksgiving following the garnering of their crops. For this interpretation clearly speaks the fact that Succoth is also known as the "Feast of Ingathering." Succoth is essentially a season of joyful thanksgiving. Orthodox Jews erect little bowers of branches and foliage in their houses and outside of their synagogues, where they say their prayers of thanksgiving.

Men Welcome Mother's Friend

A Duty that Every Man Ows to Those who Perpetuate the Race.

It is just as important that men should know of progressive methods in advance of motherhood. The suffering, pain and distress incident to child-bearing can be easily avoided by having at hand a bottle of Mother's Friend.

This is a wonderful, penetrating, external application that relieves all tension upon the muscular and makes them to expand without the painful strain upon the ligaments. Thus there is avoided all those nervous spells; the tendency to nausea or morning sickness is counteracted, and a bright, sunny, happy disposition is preserved that reflects wonderfully upon the character and temperament of the little one soon to open its eyes in bewilderment at the joy of his arrival. You can obtain a bottle of "Mother's Friend" at any drug store at \$1.00, and it will be the best dollar's worth you ever obtained. It preserves the mother's health, enables her to make a quick and complete recovery, and thus with renewed strength she will eagerly devote herself to the care and attention which mean so much to the welfare of the child. Write to the Bradfield Regulator Co., 129 Lamar Bldg., Atlanta, Ga., for their valuable and instructive book of guidance for expectant mothers. Get a bottle of Mother's Friend today.

There is a wealth of instruction and comfort to be derived in reading this little book. It is plainly written, just what every woman wants to know, and will be a splendid little textbook for guidance, not only for yourself, but will make you helpful to others. And, in the meantime, do not fail to get a bottle of Mother's Friend at the drug store, and thus fortify yourself against any and all pain and discomfort.

"GETS-IT," for Corns Surely Gets Them!

It's the Corn Cure on a New Plan—Gets Every Corn Quick and Sure.

"If you're like me, and have tried nearly everything to get rid of corns and have still got them, just try the new, sure, quick, easy, painless way—"

"Talk About Your Corn-Getters, 'GETS-IT' Surely is the Real Thing!"

The new-plan corn cure, "GETS-IT." Watch it get rid of that corn, wart, callus or bunion in a hurry! "GETS-IT" is as sure as time. It takes two seconds to apply—that's all. No bandages to stick and fuss over, no salvers to make corns sore and turn true flesh raw and red, no plasters, no more knives and razors that may cause blood poison, no more digging at corns. Just, the easiest thing in the world to use. Your corn days are over; "GETS-IT" is guaranteed. It is safe, never hurts healthy flesh.

Your druggist sells "GETS-IT," 25 cents per bottle, or direct if you wish, from E. Lawrence & Co., Chicago.

PLAYS AND PLAYERS.

George Marion will stage all the Savage-musical pieces this season. A singer named Mary Tucker calls herself "The Mary Garden of Ragtime."

It is reported that Lew Dockstader will appear as Othello the coming season.

"Ladies," a recent popular novel, is to be dramatized. A. G. Delamater will stage the play.

Clayton White has been engaged to play the part of Dick Gilder in "Within the Law" with Helen Ware's company.

Walter Hampden is playing the leading part in "The Yellow Jacket" in Philadelphia, succeeding George Ralph.

Felix Edwards, the well known stage director, arrived from London the other day. He will rehearse "Gen. John Regan."

Thomas W. Ross is going to re-stage Henry Blossom's play "Checkers," as a motion picture play and will act his old part in it.

Gug Standing and Chrystal Hearne will take the principal parts in "At Bay," a melodrama by George Scarborough, author of "The Lure."

Robert Hilliard has begun his 41-week tour from coast to coast in "The Argyle Case," under the direction of Klaw & Erlanger.

A new play which will be among the productions of the season is called "Under Cover," and Florence Reed will have the leading part in it.

"The Moon Maiden," in which Mabel Wilber is featured, opened in Pittsfield, Mass., the other night and will make its way to Chicago for a long run.

"The Strange Woman," a new play by William Hurlbut, with Elsie Ferguson in the leading part, opened Atlantic City, N. J., on Thursday of last week.

A new play by George Broadhurst and Abraham Schomer, entitled "Today," was given its first performance at one of the New York theatres the other night.

Jane Cowell, now starring in "Within the Law," will be seen after the holidays in a play based on an international marriage, by Margaret Mayo, author of "Baby Mine."

Henry Arthur Jones' new play, "Mary Goes First," was produced in London on September 18. Marie Tempest appeared as Mary. She controls the rights to it for the United States.

"The Romance of Billy Goat Hill," in which May Buckley is starring, is to be overhauled. The author, Mr. Parker, and the manager, Lee Morrison, have gone to Columbus, Ohio, for that purpose.

The Schuberts announce four plays that they have now in rehearsal for speedy production. One is "Turandot," the play based on a Chinese legend that Percy MacKaye has rewritten from various German and English versions and that is to be clothed in gorgeous trappings, copied from those at Reinhardt's theatre in Berlin, where it was originally mounted. Two more are comedies of the life of the hour—"Miss Phoenix" by Albert Lee and "A Modern Girl" by Ruth Richardson. The fourth play, which is by Miss Crother, has not been made yet.

JACKSONVILLE GETS STATE A. H. T. A. CONVENTION FOR 1914

Meetings Will Bring Over Three Hundred Delegates to City—To Hold Two Days Session.

Delegates from the Morgan County Anti-Horse Thief Association, returned Thursday morning from Springfield, where they attended the meeting of the State association. They secured the 1914 convention of the State association for this city and it is understood that the meetings will bring over 300 delegates to the city. Springfield was a strong contender for next year's convention and the local men won by a vote of 117 to 70.

At the convention it was decided to hold a two days' session next year, instead of the one day session that has been held heretofore, the business of the association having been increased so that it is too much to transact in one day. While the date of the 1914 convention has not been set it will probably be held about the second week in October. This will be the second time that the state association has met in Jacksonville, the first time being about five years ago.

TO CELEBRATE APPLE DAY.

Chicago, Oct. 16.—The International Apple Shippers' association has requested the managers of hotels, restaurants, dining cars and other eating places throughout the United States and Canada to feature apple pies, apple puddings and apple dumplings on their menus next Tuesday. The occasion will be the second annual celebration of apple day, which was originated by the association with a view to calling public attention to the apple and its relatively low cost. A campaign is to be made to see that everybody eats an apple on national apple day.

CELEBRATED WEDDING ANNIVERSARY.

Dr. and Mrs. H. L. Griswold celebrated their twelfth wedding anniversary Thursday at their home on West State street, with a dinner to which a number of relatives were invited. Among those from out of the city were: Mrs. George Wilson of Quincy, Mrs. Ellen Thorpe and Miss Della Thorpe of Winchester.

ENJOY A GOOD DINNER

Avoid Stomach Distress or Indigestion After Eating—Use Mi-o-na

Let us tell you how to enjoy a good dinner so that the heartiest meal will set well on your stomach, cause no unpleasant and disagreeable after-effects.

There is no hard work; no need of a rigid diet list; no disagreeable medicine; instead eat what you like when you want it, and use Mi-o-na Stomach Tablets. They are not only a digestive giving prompt and effective relief, but a specific for stomach ills. Do not endure stomach tortures another day. Mi-o-na surely and safely strengthens the digestive organs, soothes the irritated membrane and increases the flow of digestive fluids so that the stomach can care for the food as nature intended.

Do not continue to suffer with that uncomfortable feeling after a hearty meal. Get a fifty cent box of Mi-o-na Stomach Tablets today—always keep them in the house—carry them when traveling.

Money refunded if Mi-o-na is not satisfactory. Sold by druggists everywhere—Adv.

High Oven Range

"I beg your pardon but it don't cost more. It costs me less to run it.

"My range heats both the dining room and kitchen.

"They are always cozy and warm and it cooks our meals at the same time.

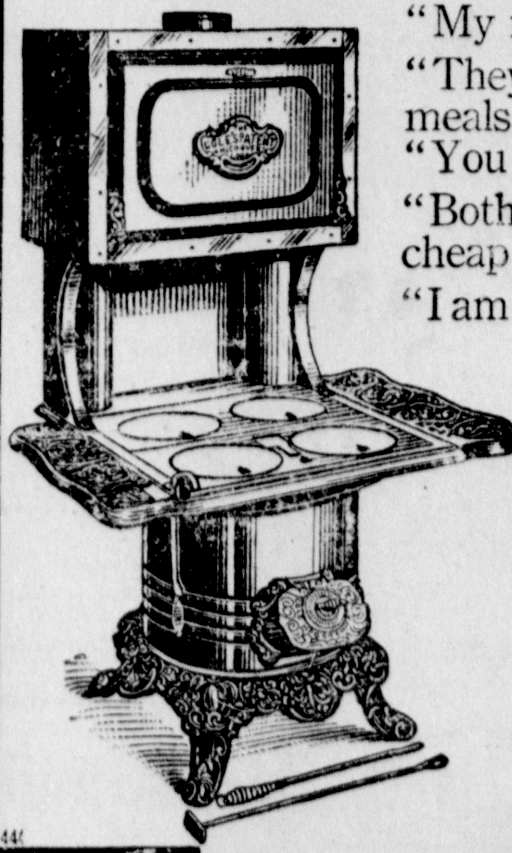

"You can't say that about yours.

"Both my heating and cooking are done with cheap fuels—either soft coal, slack or lignite.

"I am not saying anything about how my oven saves my back or how easy it is to control the draft or how quickly the stove and oven heat. But just in comfort and economy I have the best of you.

"If I were you, I would get one today. It takes up but half the space of an ordinary range and gives you two stoves in one.

"Then you will have real comfort and be saving money, too."

A STRONG REFERENCE.

A young man recently applied for
a position with a large printing
house, and not having a letter of
reference, offered his bank book. It
showed a regularity of entries of de-
posit. It was a very strong recom-
mendation, indicating character and
persistence, which finally secured for
him a good position.

WORLD'S LATEST FINANCIAL AND MARKET NEWS

MARKET SENTIMENT

DECIDEDLY BEARISH

BUT LITTLE EFFORT IS REQUIR- ED TO FORCE STOCKS LOWER.

Market Develops Better Tone For a
Short Time But Later Eases Off to
Lowest Figures of the Day With
Increased Pressure Toward the
End—Most of the Leaders Reach
New Low Levels.

(By Associated Press)
New York, Oct. 16.—It required
little effort to force stocks lower to-
day. Sentiment was decidedly bear-
ish and particularly so among the
more important professional traders.
Pressure was not severe but appar-
ently no one wished to buy. Numer-
ous shares fell 1 to 2 points and
then trading became dull. The mar-
ket developed a better tone for a
time but later eased off again to the
lowest figures of the day, with in-
creased pressure toward the end. In
a few cases quotations dropped
back to the prices which prevailed
during the June slump, taking them
to the year's low points. Most of
the leaders reached new low levels
for the present, long decline. The
stagnation of the market when the
tendency was upward indicated, al-
though the bearish attitude of
traders, the paralysis of the buying
power.

Selling was believed to be largely
for the short account, although
there were reports that dissatisfac-
tion with general conditions was
leading to the unloading of real
stock in considerable volume. In-
stitutions were thus selling met with
demands that banks and trust com-
panies were thus selling met with
demands. Representatives of some of
the larger institutions said the banks
were bare of stocks.

KINDNESS REMEMBERED.

Quite a number of years ago a kind hearted undertaker was standing in the front door of his place of business when a rather young man stepped in and was asked what could be done for him. He replied that something indeed could be done

for him. He had lost his wife the night before, had no money at all and, in fact, was hungry.

That indeed was a hard situation and the undertaker saw in the stranger one whom he thought he could trust. The man told him where he lived and it was a number of miles in the country. First the undertaker gave the poor fellow the price of a meal and told him to go get his breakfast and return, which he did. Then, though a total stranger, the poor fellow was supplied with a decent casket for the burial of his wife and no security was asked.

Of course the generous undertaker didn't know that he would ever get anything, but his heart was moved by the pitiful condition of a fellow being and he gave the matter no serious concern and a while back he was pleased by receiving the amount of the bill in full.

Let this might be taken as a sly advertisement. It is proper to say that the charitable undertaker mentioned is yet alive, though not in business and readers of the Journal will please not call his attention to this story, for it was heard from a friend of his, who told it without any thought that it would be printed.

SPECIAL FOR TODAY.
BUTTERSCOTCH PIE
IDEAL BAKERY E. STATE ST.
BIRTHDAY PARTY.

Mr. and Mrs. John L. Johnson of Joy Prairie entertained a party of fifty young people Tuesday evening, October 14, in honor of the 18th birthday of Miss Cecile Newby, their niece, who makes her home with them. Games, in which prizes were given, were played and music was also enjoyed.

The house was prettily decorated with golden rod, autumn leaves and roses. The table contained a large birthday cake and was decorated with pink carnations, pink and white streamers from lamp to corners of table. An elegant two course supper was served, after which the birthday cake was cut, which afforded no little amusement. The ring was received by John Furry; the needle by Muriel Standley; the key by Mrs. Sam Challiner; the dime by Mae Paschall; the button by W. G. Hadden. The guests were received by Mrs. Sam Challiner. Miss Newby was the recipient of many nice presents. All departed at a late hour, wishing her many happy anniversaries.

A MESSAGE TO WOMEN

Who Are "Just Ready to Drop."

When you are "just ready to drop," when you feel so weak that you can hardly drag yourself about—and because you have not slept well, you get up as tired-out next morning as when you went to bed, you need help.

Miss Lea Dumas writes from Malone, N. Y., saying: "I was in a badly run-down condition for several weeks, but two bottles of Vinol put me on my feet again and made me strong and well. Vinol has done me more good than all the other medicines I ever took."

If the careworn, run-down women, the pale, sickly children and feeble old folks around here would follow Miss Dumas' example, they, too, would soon be able to say that Vinol, our delicious cod liver and iron remedy, had built them up and made them strong.

It is a wonderful strength creator and body-builder, and we sell it under a guarantee of satisfaction. You get your money back if Vinol does not help you. Lee P. Allcott, Drug-gist, Jacksonville, Ill.

TO DISCUSS PUBLIC UTILITIES CONTROL.

St. Paul, Minn., Oct. 16.—The most notable feature of the program arranged for the meeting of the Minnesota League of Municipalities, which opened here today for a two days session, is a joint debate on the question of public utilities control, with two speakers on each side. Halford Erickson, a member of the Wisconsin commission, and C. A. Russell of Brainerd, will speak in behalf of state control, while the negative side will be taken by T. C. Richmond, an attorney of Madison, Wis., and a speaker from this state. There will also be addresses by a number of other prominent speakers.

SPRINGFIELD MEN HERE.

St. Paul, Minn., Oct. 16.—The Thomas M. Rees, manager of the State Register, Edward Payne of the State National bank and John H. McCreary, proprietor of the St. Nicholas hotel, all of Springfield, were in the city Thursday morning while on their way to Carrollton to attend the Green County Fair. They stopped in the city on their return and took supper at the Dunlap hotel. The trip was made in an automobile.

WOODSON.

C. C. Self and son, T. J. Self, went to Chicago Monday to attend the grand lodge of Masons, which convened in that city Tuesday, Wednesday and Thursday.

Mrs. Thomas Shelton and daughters, Pearl and Frances, of Ashland visited the parents of Mrs. Shelton, Mr. and Mrs. Ball Fitzsimmons, and other relatives last week.

Walker Oglesby and Mrs. Jane Goff, both of Missouri, visited the latter's sisters, Mrs. Frank and Mrs. John Smith, last week. Mr. Oglesby is a brother-in-law of the Mrs. Smiths.

Christian Church Notes.

On last Sunday the church attendance increased over 100 per cent. Let us make it unanimous. It is a service in which all count alike. The old, the young, the strong, the weak. The loss of one is felt by all. We want an unbroken line. Each vacant place is a blemish on the glory of the church of Christ. Let us get together one and all. It means victory for the Master. The lecture on "New Conditions in China" was fine and worth much more than its cost. October 26 will be Old Folks' day. Next Sunday will be another great day in the Bible school. Sermon subject, "The Value of Man." The general public is generally invited to attend each service. Young

People's society will meet at 6:45 p. m. Sunday. Come. There is room and a welcome for you.
Ira C. Smith, Pastor.

MURPHY AND McFARLAND AGAIN

New York, Oct. 16.—For the fourth time within the past five years Tommy Murphy and Packey MacFarland, two of the best fighters in the lightweight division, are to come together tomorrow night in an endeavor to settle the question of supremacy. The bout will be a ten round affair and will be staged by the Garden A. C. of this city. The record of their previous fights shows that honors were even in the first two. In the third bout, which was a 20-round affair in San Francisco, McFarland was returned the winner.

We are now manufacturing, under state license, the best brand of chicken food on the market, known as "SUPREME CHICKEN FOOD." This food is far superior to any brand of chicken food on the market today. It is guaranteed under the Pure Food & Drugs Act, June 30, 1906, serial No. 47673. Guaranteed analysis as follows:

CRUDE FAT . . . 6 to 8 per cent.
PROTEIN . . . 22 to 24 per cent.
FIBRE . . . 7 to 9 per cent.

WHAT IS "SUPREME CHICKEN FOOD?"

It is a combination food consisting of meat scrap, steamed bone grit and a small percentage of clam shell grit; all clean and in a uniform size, and can be fed to large and small fowls. "SUPREME CHICKEN FOOD" is guaranteed to make your hens lay. It is the only ideal food for fall and winter use. Put up in 50 and 100 pound bags.

Price per 50 pound bag . . . \$1.50
Price per 100 pound bag . . . \$3.00

We are also manufacturing, under state license, the best brand of hog food on the market, known as "SURE FATTEN HOG FOOD." It is far superior to any brand of hog food on the market today. It is guaranteed under the Pure Food and Drugs Act, June 30th, 1906, Serial No. 47673. Guaranteed analysis as follows:

CRUDE FAT . . . 10 to 14 per cent.
CRUDE PROTEIN . . . 32.50 to 60 per cent.
CRUDE FIBRE . . . 1 to 3 per cent.
PHOSPHATE . . . 10 to 12 per cent.

WHAT IS "SURE FATTEN HOG FOOD TANKAGE?"

It is a dark colored granular meal, made from meat residues, and it supplies the protein and phosphates necessary for compounding a balanced ration in most economical and palatable form.

It contains phosphates in proper proportion to insure strength of bone and frame work. In the corn belt bone development is a matter of serious consideration.

It is not a substitute for corn, but a small quantity fed in connection with corn or other grains gives a balanced ration.

It is the most economical source of digestible protein known, containing twice as much protein as oil-meal and five times as much as middlings, shorts, shipstuffs, or alfalfa meal.

TANKAGE is recommended by all leading experiment stations. It is packed in one-hundred-pound burlap sacks, plainly marked "SURE FATTEN HOG FOOD." Analysis as above. It is the ideal feed to balance rations.

WHAT "SURE FATTEN HOG FOOD" TANKAGE DOES.

It develops bone and muscle in young pigs and makes them grow. It matures a hog for market in two and three months quicker than corn alone, thereby saving one-third of the feed bill, one-third of the labor, one-third of the risk, increasing profits one-third.

It grows better proportioned hogs, more meat, and more fat, hence market-topper hogs. "SURE FATTEN HOG FOOD" Tankage fed hogs ship well with small shrink. While in no wise a medicine, it so fortifies and strengthens the system against attacks of disease germs that "SURE FATTEN HOG FOOD" TANKAGE fed hogs are universally healthy. Manufactured by the

MEETS DEATH
IN AUTO WRECKBRUCE MOUNTS OF CARLINVILLE
INSTANTLY KILLED.Machine Turns Turtle Two Miles
East of Waverly—Alexander Crawford Jr., of Hillsboro, Suffers
Broken Collar Bone—Coroner
Rhodes Holds Inquest.

Bruce Mounts of Carlville was instantly killed and Alexander Crawford Jr. of Hillsboro, seriously injured, when their automobile turned turtle two miles east of Waverly at 12:15 o'clock Thursday afternoon. The men were on their way to Carrollton to attend the Greene county fair. They were going about thirty-five miles an hour, when Crawford lost control of the machine. Both were thrown out, the auto landing upside down, after passing over the body of Crawford, who had his skull crushed in two places and his breast smashed.

The accident happened on the South Auburn road and the young men were on their way to Waverly from Springfield. They were driving a Ford automobile. During the trip they had been racing with Al Robinson who was driving a Cole No. 30. Robinson not being anxious to put on full speed had been passed twice by the men. Later on Robinson suffered some and had arrived in Waverly some minutes before he heard of the fatal accident.

At the point where the auto turned turtle there is a bridge some six feet high. Crawford lost control of the machine a short distance before he reached the bridge. Both men were thrown out at the bridge and the machine went about two lengths further. When Crawford, who was knocked unconscious, came to he was lying very near Mounts, who had been killed instantly.

Swift and Beatty, undertakers at Waverly were notified and the body of Mounts was taken to Waverly, and Crawford was taken to St. John's hospital, Springfield. Dr. W. H. Allen and Dr. Paul Allen were called and made an examination of both men. Mounts' wounds were such that death had been instantaneous. Crawford had his collarbone broken, several ribs and other internal injuries. From the position of the machine and the condition of Mounts' body, the car must have fallen on him in turning over.

Coroner Rhodes of Springfield held an inquest at 4:30 o'clock and the verdict of the jury was that "death was due to an unavoidable automobile accident." The jury was composed of William Meyers, foreman; Thomas Burns, Albert Burns, Nathan Morris, William Doolin, George M. Dunseth and Leonard Adcock, clerk. Crawford was among those who testified at the inquest and he stated that he lost control of the car.

Mr. Mounts had just passed his 28th birthday. He was the son of former state senator W. L. Mounts of Carlville. He is survived by his parents, one sister and a brother. He was a cousin of Mrs. Francis Baldwin of this city.

Mr. Crawford is the son of A. W. Crawford, a member of the state board of equalization and interested in coal mining.

Mr. Mounts' body was sent last night to Carlville and the funeral will be held Saturday afternoon.

Men's Flannel Shirts, all colors, blue, gray, tan, \$1.50 and \$1.75 values. Choice 98c. Illinois Stock Exchange.

PIN WORKS OUT.

CAUSING ACCIDENT.

In the recent automobile accident near New Berlin, which resulted in the death of Paul Zeigler, George Wolke, agent for the Mitchell automobile, says that a pin worked loose from the cross rod that guides the wheel opposite the steering post, causing the accident, and not the breaking of the steering wheel, as stated in the Journal. He stated that the first time the pin came out the car ran into a hedge fence and it was carelessly dropped in place, and not secured with a cotter key as it should have been.

MISSIONARY SOCIETY
HOLD MONTHLY MEETING

Ladies of Grace Church Have Profitable Gathering at Home of Mrs. E. L. Crouch.

The regular monthly meeting of the Woman's Home Missionary society of Grace M. E. church, was held at the home of Mrs. E. L. Crouch Thursday afternoon, with a good attendance. After the devotion exercises, led by Mrs. W. C. Cole, reports of the various officers were read and approved. Miss Sarah Groves was appointed to go as a delegate to the conference Missionary meeting to be held in Springfield, Oct. 24-30 and to bring back a report. The society is excited to see on delegates and it is hoped that many will avail themselves of the opportunity to go.

An interesting letter was read from Miss Helen Mathis, who is a student in the McClesky Home at Baaz, Alabama. The society is paying her tuition on a four year course.

The topic of the afternoon was "Mexicans and Orientals," which was ably handled by Mrs. Amos Straight, leader, Mrs. John Berry, Mrs. M. E. Layton and Mrs. Paul Breckon.

A bequest of \$22.53 was announced for the society from the estate of Mrs. Anna Parrott. Sixty members have now paid their dues, which is about one half of the entire membership, most of the amounts being paid during the first quarter. After refreshments a social hour was enjoyed.

Among those who will appear on the program at the Springfield meeting from the local churches are Mrs. J. W. Lowdermilk, Miss Olive Dunlap, Miss May Lambert and Mrs. Charles Rafferty.

TO OBSERVE ANNIVERSARY.

December 16 will mark the eightieth anniversary of the Congregational church in this city and the members of that organization are planning to observe the day with appropriate exercises. For some years it has been an annual custom to have a church supper and general meeting of the congregation when reports of the various departments of the church are given and other business disposed of. A committee consisting of Miss S. Frances Wood, Miss Minnie Coley and Miss May Dummer has been appointed to arrange a program for the celebration this year.

URANIA LODGE BANQUET
SET FOR NOVEMBER 13.

At the last meeting of Urania lodge, No. 243, I. O. O. F., a committee consisting of Norman Kykendall, C. E. Williamson and W. C. Howe was appointed to set a date for the annual banquet and to appoint the committees to look after the arrangements. The committee met last night and announced that the banquet would be held the 13th of November. It is the intention to make the feast one of the most successful in the history of the organization.

QUICK RELIEF
FOR RHEUMATISM.

George W. Koon, Lawton, Mich., says: "Dr. Detchon's Relief for Rheumatism has given my wife wonderful benefit for rheumatism. She could not lift hand or foot, had to be lifted for two months. She began the use of the remedy and improved rapidly. On Monday she could not move and on Wednesday she got up, dressed herself and walked out for breakfast." Sold by L. P. Allcott, druggist.—Adv.

RED MEN HAD SOCIAL.

Red Men kept open house last night, entertaining not only members of the order but a number of their friends as well. Burgoo soup, with Mayor Davis as the chief cook, was the special feature and the entire company was served very liberally. The rainy night interfered somewhat with the attendance but altogether the evening was one of great pleasure. The committee of arrangements kindly remembered Journal employees with a bountiful supply of the soup.

SMALL BLAZE THURSDAY.

The fire department was called to the residence of Philip Braner, 802 East College avenue Thursday afternoon at 1:30 o'clock, where a fire had started upstairs and starved to burn toward the rear of the house. The flames were extinguished and the damage was slight.

LEG LACERATED BY
CORN CUTTING MACHINE

Bernard Doller, son of James Doller, of 603 South Hardin avenue, while cutting corn with an automatic horse power machine Thursday afternoon, on the farm of John Ward, south of the city, was accidentally thrown off the machine. His right leg was so badly lacerated that eleven stitches were necessary to close the wound. Dr. W. P. Duncan being the attending physician.

Don't forget to have benefit tickets for the Grand tonight.

Arch Mainis was a business visitor in the city from Virginia, also Robert W. Lacey.

GRAND OPERA HOUSE

See the Styles Your Great Grandmother Wore

A Ten Thousand Dollar Moving Picture Film, three thousand feet in length, portraying by motion photography the styles of the century in contrast with those of today will be shown to our friends and customers.

The title of the film is "Mrs. Carter Worthington's Dilemma." It portrays in an interesting and fascinating way the difficulties that our women friends encounter in their efforts to procure costumes, gowns and tailored suits that meet the approval of those who know style, fit and tailoring.

Mrs. Worthington has an annoying experience in search for a new costume in which to attend The Annual Costume Pageant of the Delaware Society and her troubles are solved by her bosom friend, Mrs. Lila Laskerfield, who has discovered the merits of PRINTZESS.

During the Costume Pageant, we will introduce on film the styles of the last century beginning with the girl of 1800 and proceeding by 10 year periods up to the present day.

The third reel will portray the visit of Mrs. Lila Laskerfield to the home of PRINTZESS and just what she saw while watching the making of a PRINTZESS garment. On the last reel we show a parade of living models, wearing the styles of the season, the very garments that you will see in our department.

Come—be our guest, admission is by ticket only and no children will be admitted unless accompanied by their parents or guardians.

Nydenta Cream is the most delightful and effective tooth cleanser and preservative you can possibly use.

Nydenta enters the crypts and crevices of the teeth—even where the bristles of the brush fail to go—prevents fermentation and inhibits the growth of disease germs upon the mucous membranes of the mouth.

Nydenta Cream is a prophylactic and preservative—it supplies the cleansing elements necessary to tooth preservation, elements that are found in the normal secretions of every month, but always absent in the presence of decay.

It hardens the gums, protects, whitens, and polishes the enamel of the teeth—sweetens and perfumes the breath.

There is absolutely no waste to Nydenta—it is clean and economical.

FUNERALS

Zeigler.

Funeral services for Paul Zeigler, who was killed in an automobile accident, were held Thursday afternoon in New Berlin. The remains were taken from the Zeigler home to the Lutheran church at 1 o'clock, where a large number had gathered to attend the services, and although the church was a large one it would not accommodate half of large assemblage. The funeral was one of the largest held in the community for a number of years. Services at the church were conducted in an impressive manner by Rev. Mr. Whitrock, who paid a beautiful tribute to the memory of the deceased. Music was furnished by the church choir and there was an abundance of beautiful flowers which were cared for by friends.

After services at the church the remains were taken to the Lutheran cemetery in the east part of Morgan county, where the Lutheran commitment services were held and interment was made. The bearers were: Casper Lucas, Joan Brown, Edward Dawer, David Gerhardt, George Horn and Elmer Ray.

Loughary.

The funeral of Mrs. Marion Loughary was conducted from the M. P. church in Concord Thursday afternoon at 2 o'clock, in charge of Rev. H. J. Floreth, pastor of the M. E. church, assisted by Rev. Mr. Cain of the M. P. church. There was a large attendance of friends and music was furnished by the choir of the three churches of Concord.

There were many beautiful flowers. The remains were laid to rest in the Concord cemetery and the bearers were James Abernathy, Walter Beddfield, Ora Valentine, Edward Horton, John Yeck and John T. Kershaw.

MAD DOG CAUSES

DEATH OF TWO COWS

George Killam, residing east of the City, Loses Valuable Animals—Has Narrow Escape From Cow That Was Bitten.

George Killam, who resides a short distance east of the city, has lost two valuable milk cows as the result of being bitten by a mad dog. Mr. Killam's dog went mad about a week ago and the animal was shot by William Thompson, not, however, until it had visited the barnyard and bitten some stock. After the first cow had to be killed, Mr. Killam put the other in the barn, because of its strange actions. When he went in to the barn Wednesday, the animal came after him and if he had not had the protection of a pitch fork would have been severely injured, if not killed. Mr. Killam feels his loss keenly, as both cows were good milkers.

OBITUARY.

James Dennis Pike was born in Florence, Lauderdale county, Alabama, March 12, 1834, and died at his residence in Prentice Wednesday morning at 3:20 o'clock, after an illness extending over a period of seven months. He was married to Mary Adeline McManus, who was born at Lewisburg, Marshall county, Tennessee, February 16, 1839. For a number of years the family resided in Island Grove, coming to Illinois during the war. They moved to Prentice from Orleans about eight years ago.

Mr. Pike was a man widely known in this community and highly respected by a large circle of friends. He was a member of the Island Grove Baptist church and during his long illness bore his sufferings with Christian fortitude.

Besides his wife he is survived by the following children: Mrs. Jane Johnson of New Berlin, W. A. Pike of Doolin avenue, this city; Cyrus Pike of Hersman, Brown county; Thomas Pike, of this city; Mrs. Cline Wilcox, New Berlin; Mrs. Frances Caldwell of West Lafayette avenue, this city; John Pike, Moberly, Mo.; James Pike, Franklin; Mrs. Mary Johnson, Murrayville; Mrs. Elizabeth Burns, Palmyra; Albert Pike, Burlington, Ia., and Edward Pike, at home. He is also survived by twenty-one grandchildren and one great grandchild. He was preceded in death by one child, who died in September, 1883, and five grandchildren.

Funeral services will be held this morning at 11 o'clock at Island Grove in charge of Rev. N. R. Johnson. Interment will be made in Wilcox cemetery. Friends are requested to omit flowers.

KING'S HERALDS TO MEET.

The King's Heralds of Grace M. E. church will meet at the church Saturday afternoon at 2:30 in their regular meeting. All old members are urged to be present and those who desire to become members.

SOCIAL EVENTS.

G. W. Eastin, chief clerk at the State School for the Deaf, entertained twelve of the employees of the school at his home, 439 Webster avenue, Thursday evening. Music and games afforded entertainment and light refreshments were served. Among those present were Misses Dolly Pence, Mary Carroll, Esta McCarl, Percy Blevins, Elsie Hinners, Jany Rubey, Messrs. Lee Huff, Elbert Brasel, Walter Pemberton, John Hall, Herschel Glazebrook.

A reception was given Thursday evening at Brooklyn church in honor of the new pastor, Rev. W. W. Theobald and family. The night being inclement a great many were kept at home, including some who were to appear on the program. The time was spent in getting acquainted and Dr. J. R. Harker made a brief address on the mission of the church and Prof. J. H. Reid spoke of the pleasure it gave the church to have Rev. Mr. Theobald and family among them. The pastor was called upon and expressed his appreciation of the occasion and hoped that the year's work would be a prosperous one. Suitable refreshments were served.

The October birthday social of Westminister church was held Thursday afternoon at the home of Mrs. George C. Guthrie, 116 Park street. The ladies whose birthdays occurred during this month were Mrs. Julia Pierson, Mrs. J. H. Rayhill, Sr., Mrs. Foster, Mrs. Lee P. Allcott and Mrs. Rebecca Staley. The house was given an added attractiveness by the use of autumn flowers and the guests were greatly delighted by three readings, "Buying a Pair of Shoes" and "At the Reception" by Miss Sue Fox and "Building the New Barn" by Miss Anna Stevenson. The afternoon was most pleasantly spent and nice refreshments were served.

FROM MANY SOURCES.

Products Offered at Brook Mills Come From Long Distances.

Illinois in general and Morgan county in particular possesses a rich soil and one would suppose it could produce all needed here in the way of food for man and beast, but such is not the case. More and more scientific feeding and intelligent analysis of foods is becoming the rule so that greater profits are realized from the rearing of animals. A visit to the Brook Mills will well demonstrate the facts above stated, especially in the case of chicken feed. A valuable mixture is made for fowls and into it sunflower seed enters largely and so far it is imported from France and the Brook Mills uses hundreds of pounds of it in the course of the year.

Limestone grits help hens lay and the grits come in hundred pound sacks from poor old Missouri. Oyster shells are important, too, and these come from Baltimore, while kaffir corn is brought from the Indian Territory. Much hay is brought from the west and so we see that while we are in the garden spot of midthe world, we can't raise everything we use.

DIGGERS FOR WATER FIND STRONG FLOW OF GAS

Discovery Made on the Robertson Farm Ten Miles East of Jacksonville.

Another indication that there is considerable natural gas in the east part of Morgan county was emphasized Thursday, when well diggers on the Robertson farm, struck a strong flow of the much coveted gas. The well was being dug by J. B. Corrington and the boring had reached a depth of 115 feet, when a deep roaring was heard and at the same time a large quantity of gravel, small rocks and pebbles and dirt, was shot in the air a distance of twenty-five or thirty feet. The roaring could be heard distinctly for a distance of 200 yards. In boring the well the drill was sent down through a good layer of hard pan and later through soil of a gray color and finally drift wood was found. From the pressure it is presumed that there was considerable gas in that section.

Marion Zachary resides on the Robertson farm and the well is about one hundred feet south of the house. Mr. Zachary has been hauling water all summer and had concluded to dig a new well. Since the gas was struck, the well has filled thirty feet with water.

MYERS BROTHERS

MODERN DUTCH FURNITURE

Modern Dutch Furniture

Limbert's Modern Dutch Arts and Crafts Furniture is built for the requirements of modern use. Comfort, utility and durability together with structural perfection and beauty of design are the prime motives. In its solidity and permanence it reflects Dutch sturdiness and thoroughness, in the beauty of its patterns and richness and color harmony of its leathers and finishes, it preserves the mastery of Dutch Art.

Construction

Every piece of Limbert furniture is made from solid white oak thoroughly dried, aged and seasoned. Carefully made mortise and pinned tenon joints, solid dowel construction, keyed braces and other sound devices lock its parts together. No structural imitations or subterfuges are tolerated.

The front posts are tenoned through the arms and pinned, the posts projecting through the arms. Stretchers and back slats are joined in the same way, making all joints rigid and strong.

All runners on Limbert rockers are made from straight pieces of wood bent to the proper curve in powerful steam presses. Rockers thus bent will not break because they have no short cross grain as is found in rockers that are band sawed.

Hand work is vital in this furniture, for from hand work comes its individuality and charm. Yet we do not wish to convey the idea that it is made entirely by hand. Machinery is used only where it can be employed to improve the product.

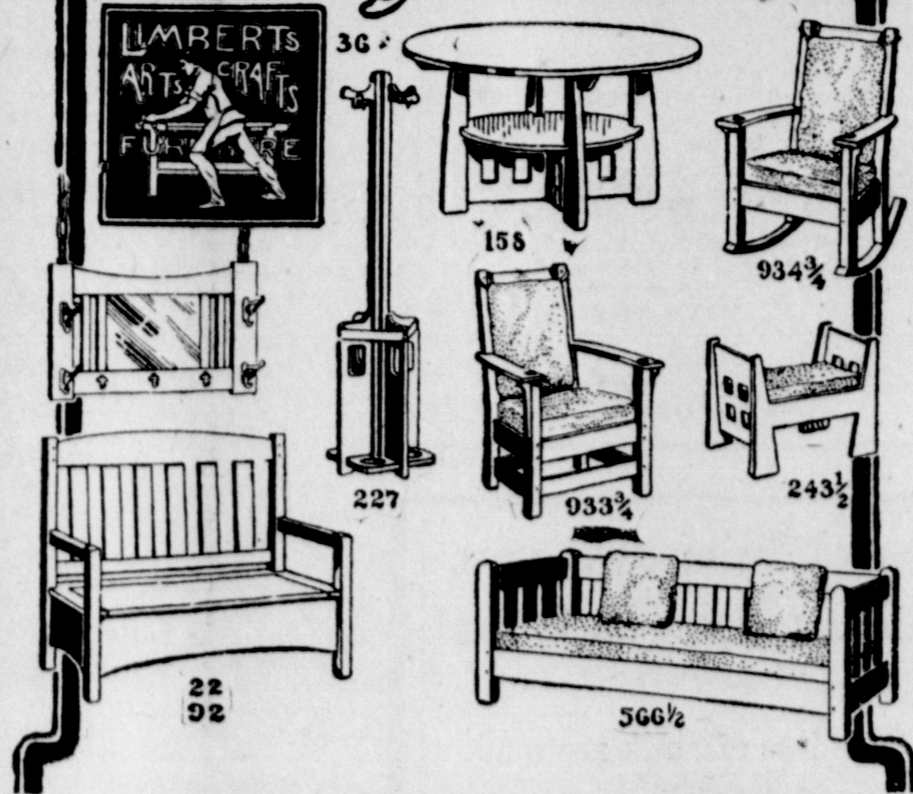

Color and Finish

Limbert's Modern Dutch Arts and Crafts Furniture can be procured in any color or finish that can be produced on white oak. Very characteristic are the popular brown tones of the Genuine Fumed finish obtained by subjecting the wood to the action of ammonia fumes. This finish has a rich, nut brown or autumn-leaf color similar to that of wood colored by age. It possesses a soft translucent sheen which is inimitable and harmonizes with almost any color scheme.

Spanish Morocco Leather

The leather used on Limbert's Arts and Crafts is made from imported goat skins, it is soft and pliable as well as firm and strong. The natural grain surface lends itself to beautiful blendings of colors which are fast and it will withstand anything but misuse and is guaranteed for years of service.

Sanitary Spring Seat Cushion

Highly tempered springs are employed in the cushions of chairs, rockers and settees. For the seats these springs are double deck. The upper springs respond readily to a lightweight person and the lower springs are strong enough to support a person of the heaviest weight. These seat cushions contain three times as many springs as are usually found in the same size seats. These cushions are loose, light, clean and sanitary and as easily removed as a feather pillow.

Identification

Many makers have tried to imitate Limbert's Holland-Dutch Arts and Crafts Furniture, yet they have never succeeded in imparting to their product the character and artistic merit of furniture that has the Limbert trademark branded into the wood. This branded trade mark is a means of identification and a guarantee of excellence.

An Invitation

You are invited to call at our store and to examine this beautiful Limbert Modern Dutch Arts and Crafts Furniture. From it you can select appropriate and harmonious patterns for any room in your home. In addition to our stock we have a large portfolio illustrating other designs made by the Limbert Guild and containing reproductions of room scenes in color.
